SEC. 571. (a) IN GENERAL.—Notwithstanding any other provision of law, no sugars, sirups, or molasses that are products of Panama may be imported into the United States after the date of enactment of this Act during any period for which a limitation is imposed by authorities provided under any other law on the total quantity of sugars, sirups, and molasses that may be imported into the United States: *Provided*, That such products may be imported after the beginning of the last week of any quota year if the President certifies that for the entire duration of the quota year, freedom of the press and other constitutional guarantees, including due process of law, have been restored to the Panamanian people.

(b) REALLOCATION OF QUOTA AMOUNTS.—For any quota year for which the President does not certify for the entire duration of the quota year, freedom of the press and all other constitutional guarantees, including due process of law, have been restored to the Panamanian people, no later than the last week of such quota year, the United States Trade Representative shall reallocate among other foreign countries the quantity of sugar, sirup, and molasses products of Panama that could have been imported into the United States before the date of enactment of this Act under any limitation imposed by other law on the total quantity of sugars, sirups, and molasses that may be imported into the United States during any period.

(c) CONFORMING AMENDMENTS TO TARIFF SCHEDULES.—

(1) Paragraph (c)(i) of headnote 3 of subpart A of part 10 of schedule 1 of the Tariff Schedules of the United States is amended by striking out the item relating to Panama in the table.

(2) Paragraph (c) of headnote 3 of subpart A of part 10 of schedule 1 of the Tariff Schedules of the United States is amended by adding at the end thereof the following new subparagraph:

(d) **CERTIFICATION.**—The provisions of subsections (a) and (b), and the amendments made by subsection (c) of this section, shall cease to apply if the President certifies to Congress pursuant to section 570(a)¹² of this Act.

COMMERCIAL LEASING OF DEFENSE ARTICLES

SEC. 572. Section 23(a) of the Arms Export Control Act is amended by adding at the end the following: “Notwithstanding any other provision of law, and subject to the regular notification requirements of the Committees on Appropriations, the authority of this section may be used to provide financing to Israel and Egypt for the procurement by leasing (including leasing with an option to purchase) of defense articles from United States commercial suppliers, not including Major Defense Equipment (other than helicopters and other types of aircraft having possible civilian application), if the President determines that there are compelling foreign policy or national security reasons for those defense articles being provided by commercial lease rather than by government-to-government sale under this Act.”.

STINGERS IN THE PERSIAN GULF REGION

SEC. 573. (a) PROHIBITION.—Except as provided in subsection (b), no Stinger antiaircraft missiles may be provided, directly or indirectly, by sale, lease, grant or otherwise, during fiscal year 1988 to any country in the Persian Gulf region.

(b) **EXCEPTION.**—Notwithstanding the prohibition in subsection (a), such missiles may be provided to Bahrain if the President certifies to Congress that—

(1) such missiles are needed by the recipient country to counter an immediate air threat and/or to contribute to the protection of United States personnel, facilities or operations;

(2) no other appropriate system is available from the United States;

(3) the recipient agrees to safeguards as required in the Letter of Offer and Acceptance by the United States Government to protect against diversion; and

(4) the recipient country has agreed to a United States buyback of all the remaining missiles and components which have not been destroyed or fired in order to return them to the possession and control of the United States when another United States air defense system which meets the military requirements can be made available or not more than 18 months from the enactment of this legislation.

(c) **REPORT.**—Not later than 3 months after the date of enactment of this Act, the President shall submit to the Congress a report which assesses the global threat caused by the proliferation of man-portable ground-to-air missiles with advanced technology comparable to that of the Stinger missile, without regard to the country of origin of those missiles. This report shall give special emphasis to the danger of such missiles being used in acts of terrorism. ered and the means for subsequent recovery of any Stinger missiles sold under the authority of this provision.

President of U.S.

(d) NOTIFICATION.—Before issuing any letter of offer to sell or provide Stinger missiles (without regard to the amount of the sale or transfer) the President shall notify the Speaker of the House of Representatives and the Majority Leader of the Senate. HUMAN RIGHTS IN CUBA

SEC. 574. (a) The Congress finds that—

(1) the United Nations was established in 1945 for, among other purposes, the promotion and encouragement of respect for human rights and fundamental freedoms for all;

(2) the United Nations Human Rights Commission was established by the Economic and Social Council in 1946 to investigate and make recommendations concerning the violation of human rights and fundamental freedoms;

(3) the Government of Cuba has engaged in systematic and flagrant abuses of basic human rights and freedoms so offensive that they demand universal condemnation, including—

(A) the arbitrary arrest and prolonged imprisonment of individuals accused of political opposition to the Government of Cuba for engaging in such activities as the open or private expression of political opinions or religious beliefs, the attempt to form independent labor unions, the possession, reproduction, or intended distribution of religious or political literature, including the Universal Declaration of Human Rights, or even the professional representation by legal counsel of those so accused;

(B) the murder of political prisoners while in custody or the execution of individuals sentenced to death for political offenses;

(C) the reported systematic use of physical and psychological torture and the degrading and abusive treatment of political prisoners, especially the plantados—those who refuse out of conscience to participate in so-called political rehabilitation programs;

(D) the institutionalized use of a network of neighborhood informants organized by political “block committees” or so-called “Committees for the Defense of the Revolution” to repress the exercise of any freedom of expression and to otherwise control the behavior of citizens through intimidation;

(E) the repression of the independent Committee for Human Rights in Cuba for its attempt to register as a legal organization under the laws of the State, and the reported arrest, disappearance, or death of members of the Committee, and the continuing persecution of its president who has had to seek the safety of a foreign embassy out of fear for his life and continues to be deprived of the right to leave Cuba or to be reunited with his family; and

(F) the expulsion from Cuba of foreign journalists for having attempted to interview Cuban citizens and report objectively on the human rights situation in that country; and

(4) the Congress further recognizes that the United Nations has consistently failed to address the violation of fundamental human rights and freedoms in Cuba.

(b) It is the sense of Congress that—

(1) the United Nations and the United Nations Human Rights Commission have acted selectively and inconsistently in addressing violations of basic human rights in various countries;

(2) the United Nations General Assembly and the United Nations Human Rights Commission have failed to responsibly address the deplorable human rights situation in Cuba despite overwhelming evidence of the continuing disregard and systematic abuse of the most basic human rights by the Government of Cuba;

(3) the President, the Secretary of State, and the Permanent Representative of the United States to the United Nations are to be commended for their efforts to place Cuba on the human rights agenda of the United Nations and are strongly encouraged to continue in their efforts to bring this issue to the attention of the United Nations;

(4) the following countries are to be commended for their courageous vote in favor of considering human rights violations in Cuba, particularly in light of the thinly veiled threats of the Cuban delegation: Austria, Australia, Belgium, Costa Rica, France, Gambia, the Federal Republic of Germany, Iceland, Italy, Japan, Lesotho, Liberia, Norway, the Philippines, Somalia, Togo, and the United Kingdom;

(5) member states of the United Nations Human Rights Commission interested in democracy in the region, particularly Mexico, Spain, Peru, Venezuela, Argentina, and Colombia, should support the United States resolution on Cuban human rights at the next session of the United Nations Human Rights Commission, and that the United States should take into account this vote in determining United States bilateral and other assistance to all countries which are members of the Commission;

(6) the United States should continue to emphasize how other countries vote on fundamental issues such as human rights when determining financial support for the United Nations, including the contribution to the Human Rights Commission; and

(7) the United Nations Human Rights Commission, which will hold its forty-fourth session in Geneva, Switzerland, in 1988 should include among the highest priorities of its human rights agenda consideration of human rights violations in Cuba.

**OPPOSITION TO ASSISTANCE TO TERRORIST COUNTRIES BY
INTERNATIONAL FINANCIAL INSTITUTIONS**

SEC. 575. (a) INSTRUCTIONS FOR UNITED STATES EXECUTIVE DIRECTORS.—The Secretary of the Treasury shall instruct the United States Executive Director of each international financial institution to vote against any loan or other use of the funds of the respective institution to or for a country for which the Secretary of State has made a determination under section 6(j) of the Export Administration Act of 1979.

Loans.

(b) **DEFINITION.**—For purposes of this section, the term “international financial institution” includes—

(1) the International Bank for Reconstruction and Development, the International Development Association, and the International Monetary Fund; and

(2) wherever applicable, the Inter-American Development Bank, the Asian Development Bank, the African Development Bank, and the African Development Fund.

PROHIBITION ON BILATERAL ASSISTANCE TO TERRORIST COUNTRIES

SEC. 576. Notwithstanding any other provision of law, funds appropriated for bilateral assistance under any heading of this Act and funds appropriated under any such heading in a provision of law enacted prior to fiscal year 1988—

(1) shall not be obligated or expended for assistance to a country listed in section 6(j) of the Export Administration Act of 1979 on the date of enactment of this Act or placed on that list thereafter,

(2) if obligated before such date as assistance for such country, shall not be disbursed, and

(3) if expended before such date for assistance to be delivered to such country from the United States or by United States nationals, then no such delivery shall be made, unless such assistance is for humanitarian purposes.

UNITED STATES POLICY TOWARD CHILE

SEC. 577. (a) The Congress finds that—

(1) genuine democracy and internal stability best guarantee the long-term security and economic well-being of Chile;

(2) the 14-year period of military rule under General Augusto Pinochet has been a deviation from the traditional, apolitical role of the Chilean Armed Forces which had proudly carried out its security responsibilities as an arm of democratic governments for approximately 150 years, thus fundamentally assisting Chile to be a Latin American model of democracy;

(3) continued rule by a military leader after 1989 will be likely to bolster the position of the Communists, enhance the appeal of the Communist opposition's more radical and violent approach to political activity, and further the growing political polarization in Chile;

(4) the United States Government has actively supported a democratic transition in Chile, condemned violence from all sides, urged dialog between the government and democratic opposition leaders leading to a broad consensus on a transition to full democracy, and has also promoted increased respect for human rights in Chile;

(5) the United States has voiced legitimate concern regarding the failure of the Chilean Government to cooperate with the prosecution of those indicted for the 1976 assassination of former Chilean diplomat Orlando Letelier and American citizen Ronni Moffitt, and to bring to justice those members of government security forces reported to have beaten and set on fire Carmen Gloria Quintana and Rodrigo Rojas de Negri;

(6) on August 1, 1978, a United States Federal grand jury indicted three members of the Chilean intelligence service,

Orlando
Letelier.
Ronni Karpen
Moffitt.
Carmen Gloria
Quintana.
Rodrigo Rojas
de Negri.

General Manuel Contreras, Captain Armando Fernandez Larios, and Colonel Pedro Espinoza, for conspiracy in the September 21, 1976, murders of Orlando Letelier and Ronni Karpen Moffitt; Armando Fernandez Larios affirmed the grand jury indictment in his February 4, 1987, testimony before the United States District Court in Washington, District of Columbia;

Manuel
Contreras.
Armando
Fernandez
Larios.
Pedro
Espinoza.

(7) free elections and democratic government are conditions which lead to public accountability and thus to observance of human rights in Chile and all other countries;

(8) the Universal Declaration of Human Rights determines free elections to be a basic human right and states that the "will of the people shall be the basis of government; this will shall be expressed in equal suffrage and shall be held by secret vote or by equivalent voting procedures";

(9) the United States believes that a free, fair and open election which offers a clear choice of candidates and political views is the best formula for choosing democratic leaders and insuring a peaceful transition to democracy in Chile; and

(10) the United States, in view of longstanding friendly ties between the American and Chilean people, recognizes that only the Chilean people can bring about a transition to democracy but wishes to encourage a situation in which a return to fully functioning democracy will occur in the near future and in which the Chilean people will have the opportunity to elect democratically their own leaders.

(b) The Congress hereby—

(1) looks forward to the early return of the Chilean Armed Forces to its traditional role as a pillar of strength in the support of democracy in Chile; and

(2) calls upon the Government of Chile to make appropriate compensation to the members of the Letelier and Moffitt families and urges the Chilean Government to make available for trial in the United States or bring to justice in Chile Manuel Contreras and Pedro Espinoza for their involvement in the assassination and subsequent coverup of their role in the 1976 car bombing of Orlando Letelier and Ronni Karpen Moffitt; and

(3) strongly urges that the Government of Chile takes steps to—

(A) assure that military rule in Chile ends at least by 1989;

(B) ensure that the next democratically elected president of Chile is chosen from civilian candidates who offer a clear choice of political views;

(C) facilitate and assure voting procedures for the electoral process which are genuinely fair and based upon universal and equal suffrage with broad participation and which ensure that the vote will be accurately counted and subject to independent verification;

(D) in accord with past Chilean traditions, such clear and agreed upon procedures should be established well in advance of any electoral act so that all Chileans can be confident that the vote will be accurately counted and subject to independent verification; and

(E) ensure that prior to any electoral process, freedom of assembly and expression are fully restored and nonviolent

government opponents are given early and fair access to every means of communication, including television.

Of the funds made available to carry out this section, not more than \$7,000,000 may be made available in each of fiscal years 1988 and 1989 to carry out the provisions of subsection (b)(3) of this section. The authority of this section shall expire on September 30, 1989."

COOPERATIVE TRAINING AGREEMENTS WITH MAJOR NON-NATO ALLIES

22 USC 2761.

SEC. 580. Section 21(g) of the Arms Export Control Act is amended—

(1) by inserting "and with other countries which are major non-NATO allies," after "New Zealand,"; and

(2) by adding at the end the following: "As used in this subsection, the term 'major non-NATO allies' means those countries designated as major non-NATO allies for purposes of section 1105 of the National Defense Authorization Act of fiscal year 1987."

ASSISTANCE FOR POLAND

SEC. 581. Up to the equivalent of \$500,000 of the nonconvertible Polish currencies (after satisfaction of preexisting commitments to use such currencies for other purposes specified by law) held by the United States which have been generated by the sale to Poland of

surplus United States dairy products may be made available for the reconstruction, renovation, and maintenance of the Research Center on Jewish History and Culture of the Jagiellonian University of Krakow, Poland, established for the study of events related to the Holocaust in Poland.

MAINTENANCE OF MILITARY BALANCE OF EASTERN MEDITERRANEAN

SEC. 582. (a) UNITED STATES POLICY.—The Congress intends that excess defense articles be made available under this section consistent with the United States policy, established by section 620C of the Foreign Assistance Act of 1961, of maintaining the military balance in the eastern Mediterranean.

22 USC 2373
note.

(b) MAINTENANCE OF BALANCE.—Accordingly, the President shall ensure that, for each fiscal year, the ratio of—

President of U.S.

(1) the value of excess defense articles made available for Turkey under this section, to

(2) the value of excess defense articles made available for Greece under this section, closely approximates the ratio of—

(A) the amount of military assistance and financing provided for Turkey, to

(B) the amount of military assistance and financing provided for Greece.

(c) EXCEPTION TO REQUIREMENT.—Subsection (b) shall not apply if either Greece or Turkey ceases to be eligible to receive excess defense articles.

IMPORT ASSISTANCE FOR CBI BENEFICIARY COUNTRIES AND THE PHILIPPINES

SEC. 583. (a) For the purpose of this Act Congress finds that the cultivation and processing of sugar cane is a significant part of the economy of a number of friendly foreign nations that have traditionally exported raw sugar to the United States for refining and marketing. The sugar production and marketing policies of sugar exporting countries, other than the CBI and the Philippines, notably the EEC, has resulted in the surplus production of sugar and the dumping of sugar on world markets, thereby depressing prices to levels below the cost of production. Because of the changes occurring in the United States market for sweeteners, the export market for raw sugar produced in the CBI and Philippines has been severely¹³ restricted. In accordance with the purposes of this Act, efforts shall be made by the United States to provide assistance that helps to maintain a viable sugar industry in these countries. By conducting a special reexport program for sugar, effectively utilizing CCC-owned commodities, the friendly sugar-producing nations of the Caribbean Basin and the Philippines are helped more effectively than they are through section 416 commodity program assistance, and the sugar refining industry in the United States is able to retain a viable level of productive capacity.

(b) The Secretary of Agriculture shall issue regulations for fiscal year 1988 that set forth the terms and conditions of a special export enhancement program for a quantity of refined sugar produced in the United States equal to the quantity of raw sugar imported from beneficiary countries as defined in the Caribbean Basin Initiative

¹³ Copy read "severely".

(19 U.S.C. 2702) and the Republic of the Philippines. This will enable United States refiners, processors or operators to purchase raw sugar from CBI beneficiary countries and the Republic of the Philippines at United States domestic prices for export of an equivalent quantity of refined sugar into world markets within 60 days. The tonnage for fiscal year 1988 for this purpose shall be no less than 290,000 short tons, raw value, for the CBI nations and 110,000 short tons, raw value, for the Philippines. This amount shall be in addition to the sugar quota level established for the CBI and Philippines pursuant to the tariff schedules (19 U.S.C. 1202), for calendar year 1988 and shall not be held as violating the no cost provision contained in the sugar title of the Food Security Act of 1985. In order to maximize the number of competing bidders, the Secretary shall, in determining the low bidders in the special export enhancement program established under this section, make appropriate adjustments in bids received from sugar refiners and processors to reflect differing transportation costs based on refinery and factory location.

(c) The Secretary of Agriculture shall estimate the dollar amount of section 416 commodities which would be made available to compensate eligible CBI countries and the Philippines for the 1988 sugar quota year and operate the special sugar export enhancement program by adjusting the quantities of sugar shipped and imported under this program so as to insure that the cost of \$12,000,000 below the outlay costs for fiscal year 1988 of the section 416 commodities that would otherwise have been made available, including any costs in shipping the minimum amount of section 416 commodities as required in the Food Security Act of 1985. To estimate dollar values, the Secretary of Agriculture shall estimate the cost of the certificates to be 13 percent above their face value.

AMERASIAN IMMIGRATION

8 USC 1101
note.

SEC. 584. (a)(1) Notwithstanding any numerical limitations specified in the Immigration and Nationality Act, the Attorney General may admit aliens described in subsection (b) to the United States as immigrants if—

(A) they are admissible (except as otherwise provided in paragraph (2)) as immigrants, and

(B) they are issued an immigrant visa and depart from Vietnam during the 2-year period beginning 90 days after the date of the enactment of this Act.

(2) The provisions of paragraphs (14), (15), (20), (21), (25), and (32) of section 212(a) of the Immigration and Nationality Act shall not be applicable to any alien seeking admission to the United States under this section, and the Attorney General on the recommendation of a consular officer may waive any other provision of such section (other than paragraph (27), (29), or (33) and other than so much of paragraph (23) as relates to trafficking in narcotics) with respect to such an alien for humanitarian purposes, to assure family unity, or when it is otherwise in the public interest. Any such waiver by the Attorney General shall be in writing and shall be granted only on an individual basis following an investigation by a consular officer.

(3) Notwithstanding section 221(c) of the Immigration and Nationality Act, immigrant visas issued to aliens under this section shall be valid for a period of 8 months.

(b)(1) An alien described in this section is an alien who, as of the date of the enactment of this Act, is residing in Vietnam and who

establishes to the satisfaction of a consular officer or an officer of the Immigration and Naturalization Service after a face-to-face interview, that the alien—

(A)(i) was born in Vietnam after January 1, 1962, and before January 1, 1976, and (ii) was fathered by a citizen of the United States (such an alien in this section referred to as a “principal alien”);

(B) is the spouse or child of a principal alien and is accompanying, or following to join, the principal alien; or

(C) subject to paragraph (2), either (i) is the principal alien's natural mother (or is the spouse or child of such mother), or (ii) has acted in effect as the principal alien's mother, father, or next-of-kin (or is the spouse or child of such an alien), and is accompanying, or following to join, the principal alien.

(2) An immigrant visa may not be issued to an alien under paragraph (1)(C) unless the principal alien involved is unmarried and the officer referred to in paragraph (1) has determined, in the officer's discretion, that (A) such an alien has a bona fide relationship with the principal alien similar to that which exists between close family members and (B) the admission of such an alien is necessary for humanitarian purposes or to assure family unity. If an alien described in paragraph (1)(C)(ii) is admitted to the United States, the natural mother of the principal alien involved shall not, thereafter, be accorded any right, privilege, or status under the Immigration and Nationality Act by virtue of such parentage.

(3) For purposes of this section, the term “child” has the meaning given such term in section 101(b)(1) (A), (B), (C), (D), and (E) of the Immigration and Nationality Act.

(c) Any alien admitted (or awaiting admission) to the United States under this section shall be eligible for benefits under chapter 2 of title IV of the Immigration and Nationality Act to the same extent as individuals admitted (or awaiting admission) to the United States under section 207 of such Act are eligible for benefits under such chapter.

(d) The Attorney General, in cooperation with the Secretary of State, shall report to Congress 1 year, 2 years, and 3 years, after the date of the enactment of this Act on the implementation of this section. Each such report shall include the number of aliens who are issued immigrant visas and who are admitted to the United States under this section and number of waivers granted under subsection (a)(2) and the reasons for granting such waivers.

Reports.

(e) Except as otherwise specifically provided in this section, the definitions contained in the Immigration and Nationality Act shall apply in the administration of this section and nothing contained in this section shall be held to repeal, amend, alter, modify, effect, or restrict the powers, duties, functions, or authority of the Attorney General in the administration and enforcement of such Act or any other law relating to immigration, nationality, or naturalization. The fact that an alien may be eligible to be granted the status of having been lawfully admitted for permanent residence under this section shall not preclude the alien from seeking such status under any other provision of law for which the alien may be eligible.

NARCOTICS AGREEMENTS

SEC. 585. (a) Section 481(h)(2)(A) of the Foreign Assistance Act of 1961 is amended—

22 USC 2291.

(1) in clause (i), by inserting "in satisfying the goals agreed to in an applicable bilateral narcotics agreement with the United States, (as described in (ii)) and," after "on its own,";

(2) by redesignating clauses (i) and (ii) as clauses (I) and (II), respectively;

(3) by inserting "(i)" immediately after "(2)(A)";

(4) by adding at the end thereof the following:

"(ii) A bilateral narcotics agreement referred to in clause (i)(I) is an agreement between the United States and a foreign country whereby the foreign country agrees to take specific activities including but not limited to, efforts to reduce drug production, drug consumption, and drug trafficking within its territory, including activities to address illicit crop eradication and crop substitution; drug interdiction and enforcement; drug consumption and treatment; identification of and elimination of illicit drug laboratories; identification and elimination of the trafficking of precursor chemicals for the use in production of illegal drugs; cooperation with United States drug enforcement officials; and, where applicable, participation in extradition treaties, mutual legal assistance provisions directed at money laundering, sharing of evidence, and other initiatives for cooperative drug enforcement."

22 USC 2291
note.

(b) The amendments made by paragraph (1) shall apply with respect to any certification of the President under section 481(h)(2)(A) of the Foreign Assistance Act of 1961 made on or after March 1, 1989.

22 USC 2291
note.

(c) Beginning with certifications with respect to fiscal year 1989 and each subsequent year, a country which in the previous year was designated a major drug producing or drug-transit country may not be deemed as cooperating fully unless it has in place a bilateral narcotics agreement with the United States.

SPECIAL AMBASSADORIAL COMMISSION FOR CYPRUS AND THE AEGEAN

22 USC 2373
note.

SEC. 586. (a) FINDINGS.—The Congress finds that—

(1) the inability to achieve a just and lasting Cyprus settlement will continue to affect relations among the United States and its close NATO allies, Greece and Turkey, to the detriment of larger, mutually shared, security interests in the Eastern Mediterranean region;

(2) it is of paramount importance that Cyprus, Greece, and Turkey resolve their differences through negotiations and otherwise peaceful procedures, and that the United States should support the resolution of these differences through all the diplomatic means at its disposal;

(3) it is in the national interest of the United States that the President make a significant new diplomatic demarche towards bringing this dispute to a resolution; and

(4) it is also in the national interest of the United States to undertake a diplomatic initiative to promote the peaceful and equitable resolution of differences between Greece and Turkey in the Aegean by fostering a renewed and sustained bilateral dialogue between those countries on such issues as: the delineation of the continental shelf, the definition of the territorial seas, air traffic control over the Aegean, NATO command and control arrangements in the Aegean, and the status of Lemnos and NATO exercises in the Aegean.

(b) **APPOINTMENT OF SPECIAL AMBASSADOR.**—The President is authorized to appoint a special ambassadorial level envoy who shall be responsible for representing the United States in direct negotiations with the parties to the Cyprus dispute, for representing the United States in negotiations through international intermediaries and, generally, lending the good offices of the United States to the parties in this dispute in order to facilitate a peaceful settlement on Cyprus. As agreed to by Greece and Turkey, the special envoy shall also represent the United States in promoting mutual discussions between those countries concerning their differences on Aegean issues. The special ambassador appointed under this section shall have available the services of two deputies (one to specialize on the Cyprus question, the other on general Aegean issues) and such senior level Department of State personnel as may be required by the special ambassador in order to carry out his responsibilities.

President of U.S.

(c) **REPORT.**—Not later than June 1, 1988, the President shall submit a report to the Congress describing in detail the activities being undertaken by the special ambassador, the progress being made toward achievement of a peaceful resolution of the Cyprus dispute, an assessment of the obstacles to achievement of such a resolution and of the future role of the United States in achieving a settlement on Cyprus, and an assessment of the progress being made toward resolution of issues affecting the Aegean region.

President of U.S.

(d) **FUNDING.**—Up to \$500,000 of the funds appropriated under any heading of this Act which are allocated for Greece and up to \$500,000 of the funds appropriated under any heading of this Act which are allocated for Turkey, may be used by the Department of State for any administrative costs associated with the activities of the special ambassador and supporting personnel, including transportation, salaries and per diem.

DETENTION OF CHILDREN

SEC. 587. It is the sense of the Congress that the practice of detaining children without charge or trial is unjust, inhumane, and is an affront to civilized principles. The Congress further believes that it should be the policy of the United States to make the ending of the practice of detaining children without charge or trial a matter of the highest priority. Therefore, the Congress believes the Secretary of State should convey to all international organizations that ending the practice of detaining children without charge or trial should be a policy of the highest priority for those organizations.

22 USC 2398
note.

(b) **EFFECTIVE DATE.**—The amendment made by subsection (a)(2) does not apply with respect to funds appropriated prior to the date of enactment of this Act.

5 USC 1101 note.

SEC. 618. (a) None of the funds appropriated by this Act, or any other Act in this or any fiscal year hereafter, may be used in preparing, promulgating, or implementing any regulations relating to the Combined Federal Campaign if such regulations are not in conformance with subsection (b).

(b)(1)(A) Any requirements for eligibility to receive contributions through the Combined Federal Campaign shall not, to the extent that such requirements relate to litigation, public-policy advocacy, or attempting to influence legislation, be any more restrictive than any requirements established with respect to those subject matters under section 501(c)(3) or 501(h) of the Internal Revenue Code of 1986.

(B) Any requirements for eligibility to receive contributions through the Combined Federal Campaign shall, to the extent that such requirements relate to any subject matter other than one referred to in subparagraph (A), remain the same as the criteria in the 1984 regulations, except as otherwise provided in this section.

(C) Notwithstanding any requirement referred to in subparagraph (A) or (B), for purposes of any Combined Federal Campaign—

(i) any voluntary agency or federated group which was a named plaintiff as of September 1, 1987, in a case brought in the United States District Court for the District of Columbia, and designated as Civil Action No. 83-0928 or 86-1367, and

(ii) The Federal Employee Education and Assistance Fund, shall be considered to have national eligibility.

(D) Public accountability standards shall remain similar to the standards which were by regulation established with respect to the 1984-1987 Combined Federal Campaigns, except that the Office of Personnel Management shall prescribe regulations under which a voluntary agency or federated group which does not exceed a certain size (as established under such regulations) may submit a copy of an appropriate Federal tax return, rather than complying with any independent auditing requirements which would otherwise apply.

Regulations.

(2)(A) A voluntary agency or federated group shall, for purposes of any Combined Federal Campaign in any year, be considered to have national eligibility if such agency or group—

(i) complies with all requirements for eligibility to receive contributions through the Combined Federal Campaign, without regard to any requirements relating to "local presence"; and

(ii) demonstrates that it provided services, benefits, or assistance, or otherwise conducted program activities, in—

(I) 15 or more different States over the 3-year period immediately preceding the start of the year involved; or

(II) several foreign countries or several parts of a foreign country.

For purposes of this subparagraph, an agency or federated group shall be considered to have conducted program activities in the required number of States, countries, or parts of a country, over the period of years involved, if such agency or group conducted program activities in such number of States, countries, or parts either in any single year during such period or in the aggregate over the course of such period, provided that no State, country, or part of a country is counted more than once.

(B) Notwithstanding any other provisions, eligibility requirements relating to International Services Agencies shall remain at least as inclusive as existing requirements. Any voluntary agency or federated group which attains national eligibility under subparagraph (A), and any voluntary agency which is a member of the International Services Agencies, shall be considered to have satisfied any requirements relating to "local presence".

(3)(A) If a federated group is eligible to receive donations in a Combined Federal Campaign, whether on a national level (pursuant to certification by the Office) or a local level (pursuant to certification by the local Federal coordinating committee), each voluntary agency which is a member of such group may, upon certification by the federated group, be considered eligible to participate on such national or local level, as the case may be.

(B) Notwithstanding any provision of subparagraph (A)—

(i) the Office may require a voluntary agency to provide information to support any certification submitted by a federated group with respect to such agency under subparagraph (A); and

(ii) if a determination is made, in writing after notice and opportunity to submit written comments, that the information

submitted by the voluntary agency does not satisfy the applicable eligibility requirements, such agency may be barred from participating in the Combined Federal Campaign on a national or local level, as the case may be, for a period not to exceed 1 campaign year.

(4) The Office shall exercise oversight responsibility to ensure that—

(A) regulations are uniformly and equitably implemented in all local combined Federal campaigns;

(B) federated groups participating in a local combined Federal campaign are allowed to compete fairly for the role of principal combined fund organization;

(C) federated groups participating in a local combined Federal campaign are afforded—

(i) adequate opportunity to consult with the PCFO for the area involved before any plans are made final relating to the design or conduct of such campaign (including plans pertaining to any materials to be printed as part of the campaign);

(ii) adequate opportunity to participate in campaign events and other related activities; and

(iii) timely access to all reports, budgets, audits, and other records in the possession of, or under the control of, the PCFO for the areas involved; and

(D) a federated group or voluntary agency found by the Office, by a written decision issued after notice and opportunity to submit written comments, to have violated the regulations may be barred from serving as a PCFO for not to exceed 1 campaign year.

Regulations.

(5) The Office shall prescribe regulations to ensure that PCFOs do not make inappropriate delegations of decisionmaking authority.

(6)(A) The Office shall, in consultation with federated groups, establish a formula under which any undesignated contributions received in a local combined Federal campaign shall be allocated in any year.

(B) Under the formula for the 1990 Combined Federal Campaign, all undesignated contributions received in a local campaign shall be allocated as follows:

(i) 82 percent shall be allocated to the United Way.

(ii) 7 percent shall be allocated to the International Services Agencies.

(iii) 7 percent shall be allocated to the National Voluntary Health Agencies.

(iv) 4 percent shall, after fair and careful consideration of all eligible federated groups and agencies, be allocated by the local Federal coordinating committee among any or all of the following:

(I) National federated groups (other than any identified in clauses (i), (ii), or (iii)), except that a national federated group shall not be eligible under this subclause unless there are at least 15 members of such group participating in the local campaign, unless the members of such group collectively receive at least 4 percent of the designated contributions in the local campaign, and unless such group was granted national eligibility status for the 1987, 1988, 1989, or 1990 Combined Federal Campaign.

(II) Local federated groups.

(III) Any local, non-affiliated voluntary agency which receives at least 4 percent of the designated contributions in the local campaign.

(C) The formula set forth in subparagraph (B)—

(i) shall be phased in over the course of the 1988 and 1989 Combined Federal Campaigns;

(ii) shall be fully implemented with respect to the 1990 Combined Federal Campaigns; and

(iii) shall, with respect to any Combined Federal Campaign thereafter, be adjusted based on the experience gained in the Combined Federal Campaigns referred to in clauses (i) and (ii).

(D) Nothing in this paragraph shall apply with respect to any campaign conducted in a foreign country.

(E) All appropriate steps shall be taken to encourage donors to make designated contributions.

(7) The option for a donor to write in the name of a voluntary agency or federated group not listed in the campaign brochure to receive that individual's contribution in a local campaign shall be eliminated.

(8) The name of any individual making a designated contribution in a campaign shall, upon request of the recipient voluntary agency or federated group, be released to such agency or group, unless the contributor indicates that his or her name is not to be released. Under no circumstance may the names of contributors be sold or otherwise released by such agency or group.

(9)(A) The name of each participating voluntary agency and federated group, together with a brief description of their respective programs, shall be published in any information leaflet distributed to employees in a local combined Federal campaign. Agencies shall be arranged by federated group, with combined Federal campaign organization code numbers corresponding to each such agency and group.

²⁷ (B) The requirement under subparagraph (A) relating to the inclusion of program descriptions may, at the discretion of a local Federal coordinating committee, be waived for a local campaign in any year if, in the immediately preceding campaign year, contributions received through the local campaign totalled less than \$100,000.

(10) Employee coercion is not to be tolerated in the Combined Federal Campaign, and protections against employee coercion shall be strengthened and clarified.

(11) The Office—

(A) may not, after the date of the enactment of this Act, grant national eligibility status to any federated group unless such group has at least 15 member voluntary agencies, each of which meets the requirements for national eligibility under paragraph (2)(A); and

(B) may withdraw federation status from any federated group for a period of not to exceed 1 campaign year if it is determined, on the record after opportunity for a hearing, that the federated group has not complied with the regulatory requirements.

(12) The Office may bar from participation in the Combined Federal Campaign, for a period not to exceed 1 campaign year, any voluntary agency which the Office determines, in writing, and after notice and opportunity to submit written comments, did not comply with a reasonable request by the Office to furnish it with information relating to such agency's campaign accounting and auditing practices.

(i) at the time of such certification no ceasefire is in place that was agreed to by the Government of Nicaragua and the Nicaraguan democratic resistance;

(ii) the failure to achieve the ceasefire described in subparagraph (A)(i) results from the lack of good faith efforts by the Government of Nicaragua to achieve such a ceasefire; and

(iii) the Nicaraguan democratic resistance has engaged in good faith efforts to achieve the ceasefire described in subparagraph (A)(i).

(B) Transportation under paragraph (1) for lethal assistance previously authorized by law shall be suspended during any period in which there is in place a ceasefire described in subparagraph (A)(i), except to the extent, if any, permitted by the agreement governing such ceasefire.

(2) On March 1, 1988, the President shall transfer the balance, if any, remaining of funds transferred under paragraph (1) to the accounts from which such funds were transferred under paragraph (1).

(e) As used in this section, the term "humanitarian assistance" means only food, clothing, shelter, medical services, medical supplies, and payment for such items.

President of U.S.

(j)(1) The President may submit to Congress, no earlier than January 25, 1988, and no later than January 27, 1988, a request in accordance with this section for budget and other authority to provide additional assistance for the Nicaraguan democratic resistance.

(2) Only if a joint resolution approving a request made pursuant to subsection (j)(1) has been enacted into law, the President may submit to Congress one additional request under this section for budget and other authority to provide additional assistance for the Nicaraguan democratic resistance.

(3) It is the sense of Congress that any request in accordance with this section should be compatible with the Guatemala Peace Accord of August 7, 1987, and the decisions reached by the Central American presidents at the meeting on the report of the International Commission of Verification and Followup, and consistent with the national security interests of the United States.

(4) Each request of the President in accordance with this section shall include a detailed statement of the steps that the United States, the Central American nations, and other interested parties have taken in support of the Guatemala Peace Accord of August 7, 1987, and of any ceasefire agreed to by the Government of Nicaragua and the Nicaraguan democratic resistance, as well as a report on any progress made in any bilateral or multilateral talks between the United States and the Government of Nicaragua.

(5) If a request of the President in accordance with this section proposes the transfer of funds, the request shall specify the accounts from which the funds are proposed to be transferred.

(6) For purposes of this section, the term "joint resolution" means only a joint resolution introduced within one day of session after the day of session on which the Congress receives the request submitted by the President pursuant to paragraphs (1) or (2)—

(A) the matter after the resolving clause of which is as follows: "That the Congress hereby approves the additional authority and assistance for the Nicaraguan democratic resistance that the President requested pursuant to H.J. Res. 395 of the 100th Congress, the Act making continuing appropriations for fiscal year 1988.";

(B) which does not have a preamble; and

(C) the title of which is as follows: "Joint Resolution relating to Central America pursuant to H.J. Res. 395 of the 100th Congress."

(7) Any such joint resolution shall, upon introduction, be referred in the House of Representatives to the appropriate committee or committees.

(8) If all of the committees of the House of Representatives to which the first joint resolution approving a request made pursuant to subsection (j)(1) has been referred have not reported such joint resolution by the end of February 1, 1988, any committee which has not reported such joint resolution shall be discharged from further consideration thereof on February 2, 1988 and such joint resolution shall be placed on the appropriate calendar of the House.

(9) If all of the committees of the House of Representatives to which the first joint resolution approving a request made pursuant to subsection (j)(2) has been referred have not reported such joint resolution by the end of ten days of session after such joint resolution was introduced, any committee which has not reported such joint resolution shall be discharged from further consideration thereof and such joint resolution shall be placed on the appropriate calendar of the House.

(10) On February 3, 1988, it is in order for any Member of the House of Representatives (after consultation with the Speaker as to the most appropriate time for consideration) to move that the House resolve itself into the Committee of the Whole House on the State of the Union for the consideration of the joint resolution approving a request made pursuant to subsection (j)(1).

(11) It is in order for any Member of the House of Representatives (after consultation with the Speaker as to the most appropriate time for consideration) to move that the House resolve itself into the Committee of the Whole House on the State of the Union for the consideration of the joint resolution approving a request made pursuant to subsection (j)(2) at any time after such joint resolution has been on the calendar for a period of five days of session, except that it shall not be in order to consider such joint resolution prior to July 1, 1988.

(12) In the House of Representatives, the vote on final passage of the joint resolution approving a request made pursuant to subsection (j)(1) shall occur no later than February 3, 1988, and the vote on final passage of the joint resolution approving a request made pursuant to subsection (j)(2) shall occur no later than September 30, 1988.

(k)(1) The motion that the House resolve itself into the Committee of the Whole House on the State of the Union for the consideration of a joint resolution in accordance with this section is highly privileged and is in order even though a previous motion to the same effect has been disagreed to. All points of order against the joint resolution and against its consideration are waived. If the motion is agreed to, the resolution shall remain the unfinished business of the House until disposed of.

(2) Debate on the joint resolution shall not exceed ten hours, which shall be divided equally between a Member favoring and a Member opposing the joint resolution. A motion to limit debate is in order at any time in the House or in the Committee of the Whole and is not debatable.

(3) An amendment to the joint resolution is not in order.

(4) At the conclusion of the debate on the joint resolution, the Committee of the Whole shall rise and report the joint resolution back to the House, and the previous question shall be considered as ordered on the joint resolution to final passage without intervening motion.

(1)(1) A joint resolution described in subsection (j)(6) introduced in the Senate shall be referred to the appropriate committee of the Senate.

(2) If the committee to which is referred a joint resolution described in subsection (j)(6) has not reported such a resolution at the end of February 2, 1988, in the case of a resolution approving a request made pursuant to subsection (j)(1), hereinafter referred to as the first resolution, and at the end of 15 days of session after the introduction of a resolution approving a request made pursuant to subsection (j)(2), hereinafter referred to as the second resolution, such committee shall be discharged from further consideration of any such joint resolution. The second such resolution may not be reported before the eighth day of session after its introduction.

(3)(A) When the committee to which a Resolution is referred has reported, or has been discharged (under paragraph (2)) from further consideration of, a resolution described in subsection (j)(6), notwithstanding any rule or precedent of the Senate, including Rule 22, it is in order only on February 4, 1988 in the case of the first, and any time in July, August or September 1988 in the case of the second (even though a previous motion to the same effect has been disagreed to) for any Member of the Senate to move to proceed to the consideration of the resolution, and all points of order against the resolution (and against consideration of the resolution) are waived. The motion is not debatable. The motion is not subject to a motion to postpone. A yea and nay vote shall occur on the motion. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the resolution is agreed to, the resolution shall remain the unfinished business of the Senate until disposed of.

(B) Debate on the resolution, and on all debatable motions and appeals in connection therewith, shall be limited to not more than ten hours, which shall be divided equally between the Majority and the Minority Leaders or their designees. A motion further to limit debate is in order and not debatable. An amendment to, or a motion to postpone, or a motion to proceed to the consideration of other business, or a motion to recommit the resolution is not in order. A motion to reconsider the vote by which the resolution is agreed to or disagreed to is not in order.

(C) Immediately following the conclusion of debate on a resolution described in subsection (j)(6), and a single quorum call at the conclusion of the debate if requested in accordance with the rules of the Senate, the vote on passage of the resolution shall occur.

(D) Appeals from the decisions of the Chair relating to the application of the rules of the Senate to the procedure relating to a resolution described in subsection (j)(6) shall be decided without debate.

(E) The vote on passage of the first such joint resolution in the Senate shall occur no later than 10:00 p.m., February 4, 1988, and on the second such joint resolution not before July 1, 1988, and no later than 10:00 p.m., September 30, 1988.

(4) If, before the passage by the Senate of a resolution of the Senate described in subsection (j)(6), the Senate receives from the House of Representatives a resolution described in subsection (j)(6), then the following procedures shall apply:

(A) The resolution of the House of Representatives shall not be referred to a committee.

(B) With respect to a resolution described in subsection (j)(6) in the Senate—

(i) the procedure in the Senate shall be the same as if no resolution had been received from the House; but

(ii) the vote on passage shall be on the resolution of the House.

(C) Upon disposition of the resolution received from the House, it shall no longer be in order to consider the resolution originated in the Senate.

(5) If the Senate receives from the House of Representatives a resolution described in subsection (j)(6) after the Senate has disposed of a Senate originated resolution, the action of the Senate with regard to the disposition of the Senate originated resolution shall be deemed to be the action of the Senate with regard to the House originated resolution.

(m)(1) Section 215 in "TITLE II—CENTRAL AMERICA" in section 101(k) of the continuing appropriations resolution for the fiscal year 1987 (Public Laws 99-500 and 99-591), and subsections (p), (s) and (t) of section 722 of the International Security and Development Cooperation Act of 1985 are hereby repealed, and the provisions of section 8066 of the Department of Defense Appropriations Act, 1985, as contained in Public Law 98-473, shall not apply to any request for assistance to the Nicaraguan democratic resistance.

(2) Subsections (j)–(l) are enacted—

(A) as an exercise in the rulemaking powers of the House of Representatives and Senate, and as such they are deemed a part of the Rules of the House and the Rules of the Senate, respectively, but applicable only with respect to the procedure to be followed in the House and the Senate in the case of joint resolutions under this section, and they supercede other rules only to the extent that they are inconsistent with such rules; and

(B) with full recognition of the constitutional right of the House and the Senate to change their rules at any time, in the same manner, and to the same extent as in the case of any other rule of the House or Senate, and of the right of the Committee on Rules of the House of Representatives to report a resolution for the consideration of any measure.

“SEC. 1001A. PREVENTION OF CREATION OF ENTITIES TO QUALIFY AS SEPARATE PERSONS; PAYMENTS LIMITED TO ACTIVE FARMERS.

“(a) **PREVENTION OF CREATION OF ENTITIES TO QUALIFY AS SEPARATE PERSONS.**—For the purposes of preventing the use of multiple legal entities to avoid the effective application of the payment limitations under section 1001:

“(1) **IN GENERAL.**—A person (as defined in section 1001(5)(B)(i)) that receives farm program payments (as described in paragraphs (1) and (2) of this section as being subject to limitation)

for a crop year under the Agricultural Act of 1949 (7 U.S.C. 1421 et seq.) may not also hold, directly or indirectly, substantial beneficial interests in more than two entities (as defined in section 1001(5)(B)(i)(II)) engaged in farm operations that also receive such payments as separate persons, for the purposes of the application of the limitations under section 1001. A person that does not receive such payments for a crop year may not hold, directly or indirectly, substantial beneficial interests in more than three entities that receive such payments as separate persons, for the purposes of the application of the limitations under section 1001.

“(2) MINIMAL BENEFICIAL INTERESTS.—For the purpose of this subsection, a beneficial interest in any entity that is less than 10 percent of all beneficial interests in such entity combined shall not be considered a substantial beneficial interest, unless the Secretary determines, on a case-by-case basis, that a smaller percentage should apply to one or more beneficial interests to ensure that the purpose of this subsection is achieved.

“(3) NOTIFICATION BY ENTITIES.—To facilitate administration of this subsection, each entity receiving such payments as a separate person shall notify each individual or other entity that acquires or holds a substantial beneficial interest in it of the requirements and limitations under this subsection. Each such entity receiving payments shall provide to the Secretary of Agriculture, at such times and in such manner as prescribed by the Secretary, the name and social security number of each individual, or the name and taxpayer identification number of each entity, that holds or acquires a substantial beneficial interest.

“(4) NOTIFICATION OF INTEREST.—

“(A) IN GENERAL.—If a person is notified that the person holds substantial beneficial interests in more than the number of entities receiving payments that is permitted under this subsection for the purposes of the application of the limitations under section 1001, the person immediately shall notify the Secretary, designating those entities that should be considered as permitted entities for the person for purposes of applying the limitations. Each remaining entity in which the person holds a substantial beneficial interest shall be subject to reductions in the payments to the entity subject to limitation under section 1001 in accordance with this subparagraph. Each such payment applicable to the entity shall be reduced by an amount that bears the same relation to the full payment that the person's beneficial interest in the entity bears to all beneficial interests in the entity combined. Before making such reductions, the Secretary shall notify all individuals or entities affected thereby and permit them to adjust among themselves their interests in the designated entity or entities.

“(B) NOTICE NOT PROVIDED.—If the person does not so notify the Secretary, all entities in which the person holds substantial beneficial interests shall be subject to reductions in the per person limitations under section 1001 in the manner described in subparagraph (A). Before making such reductions, the Secretary shall notify all individuals or entities affected thereby and permit them to adjust among

themselves their interests in the designated entity or entities.”.

“(E) The Secretary may not approve (for purposes of the application of the limitations under this section) any change in a farming operation that otherwise will increase the number of persons to which the limitations under this section are applied unless the Secretary determines that the change is bona fide and substantive. In the implementation of the preceding sentence, the addition of a family member to a farming operation under the criteria set out in section 1001A(b)(1)(B) shall be considered a bona fide and substantive change in the farming operation.”.

(b) ALLOWANCE FOR EQUITABLE REORGANIZATIONS.—To allow for the equitable reorganization of farming operations to conform to the limitations and restrictions contained in the amendments made to the Food Security Act of 1985 by this subtitle in cases in which the application of such limitations and restrictions will reduce payments to the farming operation (as determined by the Secretary), the Secretary may waive the application of the substantive change rule under section 1001(5)(E), as added by section 1303 of this Act, or any regulation of the Secretary containing a comparable rule, to any reorganization applied for prior to the final date when producers are eligible to enter into contracts to participate in the commodity programs established for the 1989 crop year, to the extent the Secretary determines appropriate to facilitate any such equitable reorganizations that does not increase such payments.

(1) by inserting “(A)” after the paragraph designation; and

(2) by adding at the end thereof the following new subparagraphs:

“(C) The rate determined under this subparagraph shall be—

“(i) for the period beginning on the date the advance is made and ending at the close of the fiscal year in which the advance is made, the average yield (on the date of the advance) on outstanding marketable obligations of the United States having a final maturity comparable to the final maturity of the advance; and

“(D) Within 30 days after the end of each fiscal year, the Governor shall determine to the nearest 0.01 percent the cost of money rate for the fiscal year, by calculating the sum of the results of the following calculations:

“(ii) The aggregate of all amounts received by the telephone bank during the fiscal year from the issuance of class B stock, multiplied by the rate at which dividends are payable by the telephone bank during the fiscal year, as specified in section 406(d), to holders of class B stock, which product is divided by the aggregate of the amounts advanced by the telephone bank during the fiscal year.

“(iii) The aggregate of all amounts received by the telephone bank during the fiscal year from the issuance of class C stock, multiplied by the rate at which dividends are payable by the telephone bank during the fiscal year, under section 406(e), to holders of class C stock, which product is divided by the aggregate of the amounts advanced by the telephone bank during the fiscal year.

“(iv)(I) The sum of the results of the calculations described in subclause (II).

“(II) The amounts received by the telephone bank during the fiscal year from each issue of telephone debentures and other obligations of the telephone bank, multiplied, respectively, by the rates at which interest is payable during the fiscal year by the telephone bank to holders of each issue, each of which products is divided, respectively, by the aggregate of the amounts advanced by the telephone bank during the fiscal year.

“(v)(I) The amount by which the aggregate of the amounts advanced by the telephone bank during the fiscal year exceeds the aggregate of the amounts received by the telephone bank from the issuance of class A stock, class B stock, class C stock, and telephone debentures and other obligations of the telephone bank during the fiscal year, multiplied by the historic cost of money rate as of the close of the fiscal year immediately preceding the fiscal year, which product is divided by the aggregate of the amounts advanced by the telephone bank during the fiscal year.

“(II) For purposes of this clause, the term ‘historic cost of money rate’, with respect to the close of a preceding fiscal year, means the sum of the results of the following calculations: The amounts advanced by the telephone bank in each fiscal year during the period beginning with fiscal year 1974 and ending with the preceding fiscal year, multiplied, respectively, by the cost of money rate for the fiscal year (as set forth in the table in subparagraph (E)) for fiscal years 1974 through 1987, and as determined by the Governor under this subparagraph for fiscal years after fiscal year 1987), each of which products is divided, respectively, by the aggregate of the amounts advanced by the telephone bank during the period.

“(E) For purposes of subparagraph (D)(II), the cost of money rate for the fiscal years in which each advance was made shall be as set forth in the following table:

For advances made in—	The cost of money rate shall be—
Fiscal year 1974	5.01 percent
Fiscal year 1975	5.85 percent
Fiscal year 1976	5.33 percent
Fiscal year 1977	5.00 percent
Fiscal year 1978	5.87 percent

ment is made or 90 days after such date of enactment, elect to have the interest rate specified in the loan commitment apply to the unadvanced portion of the loan in lieu of the rate which (but for this clause) would apply to the unadvanced portion under this paragraph. If any borrower makes an election under this clause with respect to a loan, the Governor shall adjust the interest rate which applies to the unadvanced portion of the loan accordingly.

“(ii)(I) If the telephone bank, pursuant to section 407(b), issues telephone debentures on any date to refinance telephone debentures or other obligations of the telephone bank, the telephone bank shall, in addition to any interest rate reduction required by any other provision of this paragraph, for the period applicable to the advance, reduce the interest rate charged on each advance made under this section during the fiscal year in which the refinanced debentures or other obligations were originally issued by the amount applicable to the advance.

“(II) For purposes of subclause (I), the term ‘the period applicable to the advance’ means the period beginning on the issue date described in subclause (I) and ending on the earlier of the date the advance matures or is completely prepaid.

“(III) For purposes of subclause (I), the term ‘the amount applicable to the advance’ means an amount which fully reflects that percentage of the funds saved by the telephone bank as a result of the refinancing which is equal to the percentage representation of the advance in all advances described in subclause (I).

“(IV) Within 60 days after any issue date described in subclause (I), the Governor shall amend the loan documentation for each advance described in subclause (I), as necessary, to reflect any interest rate reduction applicable to the advance by reason of this clause, and shall notify each affected borrower of the reduction.

“(G) Within 30 days after the publication of any determination made under subparagraph (D), any affected borrower may obtain review of the determination, or any other equitable relief as may be determined appropriate, by the United States court of appeals for the judicial circuit in which the borrower does business by filing a written petition requesting the court to set aside or modify such determination. On receipt of such a petition, the clerk of the court shall transmit a copy of the petition to the Governor. On receipt of a copy of such a petition from the clerk of the court, the Governor shall file with the court the record on which the determination is based. The court shall have jurisdiction to affirm, set aside, or modify the determination.

“(i) cause the determination to be published in the Federal Register in accordance with section 552 of title 5, United States Code; and

(a) **FINDINGS.**—Congress finds that—

(1) the United States is dependent for a large and growing share of its energy needs on the Middle East at a time when world petroleum reserves are declining;

(4) ethanol can be produced from grain, a renewable resource that is in considerable surplus in the United States;

(5) the conversion of grain into ethanol would reduce farm program costs and grain surpluses; and

(6) increasing the quantity of motor fuels that contain at least 10 percent ethanol from current levels to 50 percent by 1992 would create thousands of new jobs in ethanol production facilities.

(b) **SENSE OF CONGRESS.**—It is the sense of Congress that the Administrator of the Environmental Protection Agency should use authority provided under the Clean Air Act (42 U.S.C. 7401 et seq.) to require greater use of ethanol as motor fuel.

The Food Stamp Act of 1977 is amended by adding after section 20 (7 U.S.C. 2029) the following new section:

“SEC. 21. DEMONSTRATION OF FAMILY INDEPENDENCE PROGRAM.

7 USC 2030.

“(a) **IN GENERAL.**—Upon written application of the State of Washington (in this section referred to as the ‘State’) and after the approval of such application by the Secretary, the State may conduct a Family Independence Demonstration Project (in this section referred to as the ‘Project’) in all or in part of the State in accordance with this section to determine whether the Project, as an alternative to providing benefits under the food stamp program, would more effectively break the cycle of poverty and would provide families with opportunities for economic independence and strengthened family functioning.

“(b) **NATURE OF PROJECT.**—In an application submitted under subsection (a), the State shall provide the following:

“(1) Except as provided in this section, the provisions of chapter 434 of the 1987 Washington Laws, as enacted in May 1987, shall apply to the operation of the Project.

“(2) All of the following terms and conditions shall be in effect under the Project:

“(A)(i) Except as provided in clause (ii), individuals with respect to whom benefits may be paid under part A of title IV of the Social Security Act, and such other individuals as are included in the Project pursuant to chapter 434 of the 1987 Washington Laws, as enacted in May 1987, shall be eligible to participate in the Project in lieu of receiving benefits under the food stamp program and cash assistance under any other Federal program covered by the Project.

“(ii) Individuals who receive only child care or medical benefits under the Project shall not be eligible to receive food assistance under the Project. Such individuals may receive coupons under the food stamp program if eligible.

“(B) Individuals who participate in the Project shall receive for each month an amount of cash assistance that is not less than the total value of the assistance such individuals would otherwise receive, in the aggregate, under the food stamp program and any cash-assistance Federal program covered by the Project for such month, including income and resource exclusions and deductions, and benefit levels.

“(C)(i) The State may provide a standard benefit for food assistance under the Project, except that individuals who participate in the Project shall receive as food assistance for a month an amount of cash that is not less than the value of the assistance such individuals would otherwise receive under the food stamp program.

“(ii) The State may provide a cash benefit for food assistance equal to the value of the thrifty food plan.

“(D) Each month participants in the Project shall be notified by the State of the amount of Project assistance that is provided as food assistance for such month.

“(E) The State shall have a program to require participants to engage in employment and training activities carried out under chapter 434 of the 1987 Washington Laws, as enacted in May 1987.⁶

“(F) Food assistance shall be provided under the Project—

“(i) to any individual who is accepted for participation in the Project, not later than 30 days after such individual applies to participate in the Project;

“(ii) to any participant for the period that begins on the date such participant applies to participate in the Project, except that the amount of such assistance shall be reduced to reflect the pro rata value of any coupons received under the food stamp program for such period for the benefit of such participant; and

“(iii) until—

“(I) the participant's cash assistance under the Project is terminated;

⁶ Copy read “May, 1987.”.

"(II) such participant is informed of such termination and is advised of the eligibility requirements for participation in the food stamp program;

"(III) the State determines whether such participant will be eligible to receive coupons as a member of a household under the food stamp program; and

"(IV) coupons under the food stamp program are received by such participant if such participant will be eligible to receive coupons as a member of a household under the food stamp program.

"(G)(i) ⁷ Paragraphs (1)(B), (8), (10), and (19) of section 11(e) shall apply with respect to the participants in the Project in the same manner as such paragraphs apply with respect to participants in the food stamp program.

"(ii) Each individual who contacts the State in person during office hours to make what may reasonably be interpreted as an oral or written request to participate in the Project shall receive and shall be permitted to file on the same day that such contact is first made, an application form to participate in the Project.

"(iii) The Project shall provide for telephone contact by, mail delivery of forms to and mail return of forms by, and subsequent home or telephone interview with, the elderly persons, physically or mentally handicapped, and persons otherwise unable, solely because of transportation difficulties and similar hardships, to appear in person.

"(iv) An individual who applies to participate in the Project may be represented by another person in the review process if the other person has been clearly designated as the representative of such individual for that purpose, by such individual or the spouse of such individual, and, in the case of the review process, the representative is an adult who is sufficiently aware of relevant circumstances, except that the State may—

"(I) restrict the number of individuals who may be represented by such person; and

"(II) otherwise establish criteria and verification standards for representation under this clause.

"(v) The State shall provide a method for reviewing applications to participate in the Project submitted by, and distributing food assistance under the Project to, individuals who do not reside in permanent dwellings or who have no fixed mailing address. In carrying out the preceding sentence, the State shall take such steps as are necessary to ensure that participation in the Project is limited to eligible individuals.

"(3) An assurance that the State will allow any individual to apply to participate in the food stamp program without applying to participate in the Project.

"(4) An assurance that the cost of food assistance provided under the Project will not be such that the aggregate amount of payments made under this section by the Secretary to the State over the period of the Project will exceed the sum of—

⁷ Copy read " (H)(i)".

“(A) the anticipated aggregate value of the coupons that would have been distributed under the food stamp program if the individuals who participate in the Project had participated instead in the food stamp program; and

“(B) the portion of the administrative costs for which the State would have received reimbursement under—

“(i) subsections (a) and (g) of section 16 (without regard to the first proviso to such subsection (g)) if the individuals who participated in the Project had participated instead in the food stamp program; and

“(ii) section 16(h) if the individuals who participated in the Project had participated in an employment and training program under section 6(d)(4);

except that this paragraph shall not be construed to prevent the State from claiming payments for additional households that would qualify for benefits under the food stamp program in the absence of a cash out of such benefits as a result of changes in economic, demographic, and other conditions in the State or a subsequent change in the benefit levels approved by the State legislature.

“(5) An assurance that the State will continue to carry out the food stamp program while the State carries out the Project.

“(6) If there is a change in existing State law that would eliminate guaranteed benefits or reduce the rights of applicants or participants under this section during, or as a result of participation in, the Project, the Project shall be terminated.

“(7) An assurance that the Project shall include procedures and due process guarantees no less beneficial than those which are available under Federal law and under State law to participants in the food stamp program.

“(8)(A) An assurance that, except as provided in subparagraph (B), the State will carry out the Project during a 5-year period beginning on the date the first individual is approved for participation in the Project.

“(B) The Project may be terminated 180 days after—

“(i) the State gives notice to the Secretary that it intends to terminate the Project; or

“(ii) the Secretary, after notice and an opportunity for a hearing, determines that the State materially failed to comply with this section.

“(c) FUNDING.—If an application submitted under subsection (a) by the State complies with the requirements specified in subsection (b), then the Secretary shall—

“(1) approve such application; and

“(2) from funds appropriated under this Act, pay the State for—

“(A) the actual cost of the food assistance provided under the Project; and

“(B) the percentage of the administrative costs incurred by the State to provide food assistance under the Project that is equal to the percentage of the State’s aggregate administrative costs incurred in operating the food stamp program in the most recent fiscal year for which data are available, that was paid under subsections (a), (g), and (h) of section 16 of this Act.

Termination
date.

“(d)(1) **PROJECT APPLICATION.**—Unless and until an application to participate in the Project is approved, and food assistance under the Project is made available to the applicant—

“(A) such application shall also be treated as an application to participate in the food stamp program; and

“(B) section 11(e)(9) shall apply with respect to such application.

“(2) Coupons provided under the food stamp program with respect to an individual who—

“(A) is participating in such program; and

“(B) applies to participate in the Project;

may not be reduced or terminated because such individual applies to participate in the Project.

“(3) For purposes of the food stamp program, individuals who participate in the Project shall not be considered to be members of a household during the period of such participation.

“(e) **WAIVER.**—The Secretary shall (with respect to the Project) waive compliance with any requirement contained in this Act (other than this section) that (if applied) would prevent the State from carrying out the Project or effectively achieving its purpose.

“(f) **CONSTRUCTION.**—For purposes of any other Federal, State or local law—

“(1) cash assistance provided under the Project that represents food assistance shall be treated in the same manner as coupons provided under the food stamp program are treated; and

“(g) **PROJECT AUDITS.**—The Comptroller General of the United States shall—

“(2) submit to the Secretary of Agriculture, the Secretary of Health and Human Services, the Committee on Agriculture of the House of Representatives, and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report describing the results of each such audit.

(a) **IN GENERAL.**—Section 422 of the Higher Education Act of 1965 (20 U.S.C. 1072) is amended by adding at the end thereof the following new subsection:

“(e) **REDUCTION OF EXCESS CASH RESERVES.**—

“(1) **LIMITATION ON MAXIMUM CASH RESERVES.**—A guaranty agency shall not accumulate cash reserves in excess of the greater of—

“(A) 40 percent of the total amount paid by that agency on insurance claims during the preceding fiscal year;

"(B) 0.3 percent of original principal amount of loans that are insured by that agency and that are outstanding at the end of such preceding fiscal year;

"(C) an amount which, when combined with all other parts of total agency reserves, equals 0.4 percent of such original principal amount;

"(D) \$500,000; or

"(E) the amount required to comply with the reserve requirements of a State law as in effect on October 17, 1986.

"(2) **RECOVERY OF EXCESS CASH RESERVES.**—The Secretary shall, not later than March 31, 1988, determine for each guaranty agency the maximum cash reserve permitted under paragraph (1) for fiscal year 1986. Subject to paragraphs (3) and (4), if the Secretary determines that any guaranty agency had, at the end of fiscal year 1986, a cash reserve that exceeded such maximum, the Secretary shall direct the agency to eliminate such excess by any one or more of the following methods, as selected by the guaranty agency:

"(A) by repaying any advances to such agency made by the Secretary under this section that are not required to be repaid under subsection (d);

"(B) by withholding and canceling claims for reimbursement otherwise payable under section 428(c)(1);

"(C) by reducing the amount of payments for which application will be made by such agency under section 428(f); or

"(iii) in recovering funds as required by this subsection, a guaranty agency would be compelled to violate contractual obligations existing on the date of enactment of this subsection that require a specified level of reserve funds to be maintained by such agency;

the Secretary may waive, in whole or in part, the imposition of the remedies required by paragraph (2) for such agency.

"(B) The Secretary shall respond to request for waivers from guaranty agencies in an expedited manner and, except for unusual circumstances or with the consent of the guaranty agency, shall resolve such request within 6 weeks of submission.

"(4) **RECOVERY LIMITS.**—The Secretary shall not require a total reduction of cash reserves for all guaranty agencies in excess of \$250,000,000 during fiscal year 1988. If the total of cash reserves of all guaranty agencies exceeds the maximum amounts permitted under paragraph (1) by more than \$250,000,000, the

Secretary shall ratably reduce the amounts that guaranty agencies are directed to eliminate under paragraph (2), so that the total excess cash reserves to be eliminated equals \$250,000,000.

“(5) DEFINITIONS.—As used in this subsection—

“(A) the ‘cash reserves’ for any guaranty agency for any fiscal year are equal to the agency’s cumulative cash receipts less the agency’s cumulative cash disbursements at the end of such fiscal year;

“(B) the ‘total reserves’ for any guaranty agency for any fiscal year are equal to the agency’s cash reserves plus the agency’s cumulative accounts receivable less the agency’s accounts payable, as of the end of such fiscal year;

“(C) the term ‘cumulative cash receipts’ includes such receipts as insurance premiums, Federal reinsurance payments, and collections on defaulted loans;

“(D) the term ‘cumulative cash disbursements’ includes such disbursements as payments for default claims, repayment of Federal advances, transfers to other State activities, and payment of collection costs and other operating costs;

not provide for the approval of a program offered by or in a home health agency which has been determined to be out of compliance with the requirements specified in or pursuant to section 1861(o) or subsection (a) within the previous 2 years.

“(E) In this paragraph, the term ‘home health aide’ means any individual who provides the items and services described in section 1861(m), but does not include an individual—

(a) **IN GENERAL.**—Section 1891 of the Social Security Act (as added by section 4021) is amended by adding at the end the following new subsections:

"(c)(1) Any agreement entered into or renewed by the Secretary pursuant to section 1864 relating to home health agencies shall provide that the appropriate State or local agency shall conduct, without any prior notice, a standard survey of each home health agency. Any individual who notifies (or causes to be notified) a home health agency of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed \$2,000. The Secretary shall provide for imposition of civil money penalties under this clause in a manner similar to that for the imposition of civil money penalties under section 1128A. The Secretary shall review each State's or local agency's procedures for scheduling and conduct of standard surveys to assure that the State or agency has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

"(2)(A) Except as provided in subparagraph (B), each home health agency shall be subject to a standard survey not later than 15 months after the date of the previous standard survey conducted under this paragraph. The statewide^{27a} average interval between standard surveys of any home health agency shall not exceed 12 months.

"(B) If not otherwise conducted under subparagraph (A), a standard survey (or an abbreviated standard survey) of an agency—

"(i) may be conducted within 2 months of any change of ownership, administration, or management of the agency to determine whether the change has resulted in any decline in the quality of care furnished by the agency, and

"(ii) shall be conducted within 2 months of when a significant number of complaints have been reported with respect to the agency to the Secretary, the State, the entity responsible for the licensing of the agency, the State or local agency responsible for maintaining a toll-free hotline and investigative unit (under section 1864(a)), or any other appropriate Federal, State, or local agency.

"(C) A standard survey conducted under this paragraph with respect to a home health agency—

"(i) shall include (to the extent practicable), for a case-mix stratified sample of individuals furnished items or services by the agency—

"(I) visits to the homes of such individuals, but only with the consent of such individuals, for the purpose of evaluating (in accordance with a standardized reproducible assessment instrument (or instruments) approved by the Secretary under subsection (d)) the extent to which the quality and scope of items and services furnished by the agency attained and maintained the highest practicable functional capacity of each such individual as reflected in such individual's written plan of care required under section 1861(m) and clinical records required under section 1861(o)(3); and

"(II) a survey of the quality of care and services furnished by the agency as measured by indicators of medical, nursing, and rehabilitative care;

"(ii) shall be based upon a protocol that is developed, tested, and validated by the Secretary not later than January 1, 1989; and

"(iii) shall be conducted by an individual—

“(II) who is not serving (or has not served within the previous 2 years) as a member of the staff of, or as a consultant to, the home health agency surveyed respecting compliance with the conditions of participation specified in or pursuant to section 1861(o) or subsection (a) of this section, and

“(III) who has no personal or familial financial interest in the home health agency surveyed.

“(D) Each home health agency that is found, under a standard survey, to have provided substandard care shall be subject to an extended survey to review and identify the policies and procedures which produced such substandard care and to determine whether the agency has complied with the conditions of participation specified in or pursuant to section 1861(o) or subsection (a) of this section. Any other agency may, at the Secretary’s or State’s discretion, be subject to such an extended survey (or a partial extended survey). The extended survey shall be conducted immediately after the standard survey (or, if not practical, not later than 2 weeks after the date of completion of the standard survey).

“(E) Nothing in this paragraph shall be construed as requiring an extended (or partial extended) survey as a prerequisite to imposing a sanction against an agency under subsection (e) on the basis of the findings of a standard survey.

“(d)(1) Not later than January 1, 1989, the Secretary shall designate an assessment instrument (or instruments) for use by an agency in complying with subsection (c)(2)(C)(I).

“(2)(A) Not later than January 1, 1991, the Secretary shall—

“(i) evaluate the assessment process,

“(ii) report to Congress on the results of such evaluation, and

“(iii) based on such evaluation, make such modifications in the assessment process as the Secretary determines are appropriate.

“(B) The Secretary shall periodically update the evaluation conducted under subparagraph (A), report the results of such update to Congress, and, based on such update, make such modifications in the assessment process as the Secretary determines are appropriate.

Section 1891 of the Social Security Act (as added by section 4021 and amended by section 4022) is further amended by adding at the end the following new subsections:

“(e)(1) If the Secretary determines on the basis of a standard, extended, or partial extended survey or otherwise, that a home health agency that is certified for participation under this title is no longer in compliance with the requirements specified in or pursuant

to section 1861(o) or subsection (a) and determines that the deficiencies involved immediately jeopardize the health and safety of the individuals to whom the agency furnishes items and services, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subsection (f)(2)(A)(iii) or terminate the certification of the agency, and may provide, in addition, for 1 or more of the other remedies described in subsection (f)(2)(A).

“(2) If the Secretary determines on the basis of a standard, extended, or partial extended survey or otherwise, that a home health agency that is certified for participation under this title is no longer in compliance with the requirements specified in or pursuant to section 1861(o) or subsection (a) and determines that the deficiencies involved do not immediately jeopardize the health and safety of the individuals to whom the agency furnishes items and services, the Secretary may (for a period not to exceed 6 months) impose intermediate sanctions developed pursuant to subsection (f), in lieu of terminating the certification of the agency. If, after such a period of intermediate sanctions, the agency is still no longer in compliance with the requirements specified in or pursuant to section 1861(o) or subsection (a), the Secretary shall terminate the certification of the agency.

“(3) If the Secretary determines that a home health agency that is certified for participation under this title is in compliance with the requirements specified in or pursuant to section 1861(o) or subsection (a) but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subsection (f)(2)(A)(i) for the days in which it finds that the agency was not in compliance with such requirements.

“(4) The Secretary may continue payments under this title with respect to a home health agency not in compliance with the requirements specified in or pursuant to section 1861(o) or subsection (a) over a period of not longer than 6 months, if—

“(A) the State or local survey agency finds that it is more appropriate to take alternative action to assure compliance of the agency with the requirements than to terminate the certification of the agency,

“(B) the agency has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action, and

“(C) the agency agrees to repay to the Federal Government payments received under this subparagraph if the corrective action is not taken in accordance with the approved plan and timetable.

The Secretary shall establish guidelines for approval of corrective actions requested by home health agencies under this subparagraph.

“(f)(1) The Secretary shall develop and implement, by not later than April 1, 1989—

“(A) a range of intermediate sanctions to apply to home health agencies under the conditions described in subsection (e), and

“(B) appropriate procedures for appealing determinations relating to the imposition of such sanctions.

“(2)(A) The intermediate sanctions developed under paragraph (1) shall include—

“(i) civil money penalties for each day of noncompliance,

“(ii) suspension of all or part of the payments to which a home health agency would otherwise be entitled under this title with respect to items and services furnished by a home health agency on or after the date on which the Secretary determines that intermediate sanctions should be imposed pursuant to subsection (e)(2), and

“(iii) the appointment of temporary management to oversee the operation of the home health agency and to protect and assure the health and safety of the individuals under the care of the agency while improvements are made in order to bring the agency into compliance with all the requirements specified in or pursuant to section 1861(o) or subsection (a).

The temporary management under clause (iii) shall not be terminated until the Secretary has determined that the agency has the management capability to ensure continued compliance with all the requirements referred to in that clause.

“(B) The sanctions specified in subparagraph (A) are in addition to sanctions otherwise available under State or Federal law and shall not be construed as limiting other remedies, including any remedy available to an individual at common law.

“(C) A finding to suspend payment under subparagraph (A)(ii) shall terminate when the Secretary finds that the home health agency is in substantial compliance with all the requirements specified in or pursuant to section 1861(o) and subsection (a).

“(3) The Secretary shall develop and implement, by not later than April 1, 1989, specific procedures with respect to the conditions under which each of the intermediate sanctions developed under paragraph (1) is to be applied, including the amount of any fines and the severity of each of these sanctions. Such procedures shall be designed so as to minimize the time between identification of deficiencies and imposition of these sanctions and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies.”

(b) **EFFECTIVE DATE.**—Except as otherwise specifically provided in subsections (e) and (f) of section 1891 of the Social Security Act (as added by subsection (a)), the amendment made by subsection (a) shall become effective on the first day of the 18th calendar month to begin after the date of the enactment of this Act.

(1) The Secretary may not enter into an agreement with an eligible organization to conduct a demonstration project under this section unless the organization meets the requirements of this subsection and subsection (d) with respect to members enrolled with the organization under this section.

(2) The organization shall have an open enrollment period for the enrollment of individuals under this section. The duration of such period of enrollment and any other requirement pertaining to enrollment or termination of enrollment shall be specified in the agreement with the organization.

(3) The organization must provide to members enrolled with the organization under this section, through providers and other persons that meet the applicable requirements of titles XVIII and XIX of the Social Security Act, community nursing and ambulatory care (as defined in subsection (b)(1)) which is generally available to individuals residing in the geographic area served by the organization, except that the organization may provide such members with such additional health care services as the members may elect, at their option, to have covered.

(4) The organization must make community nursing and ambulatory care (and such other health care services as such individuals have contracted for) available and accessible to each individual enrolled with the organization under this section, within the area served by the organization, with reasonable promptness and in a manner which assures continuity.

(5) Section 1876(c)(5) of the Social Security Act shall apply to organizations under this section in the same manner as it applies to organizations under section 1876 of such Act.

(6) The organization must have arrangements, established in accordance with regulations of the Secretary, for an ongoing quality assurance program for health care services it provides to such individuals under the demonstration project conducted under this section, which program (A) stresses health outcomes and (B) provides review by health care professionals of the process followed in the provision of such health care services.

(7) Under a demonstration project under this section—

(A) the Secretary could require the organization to provide financial or other assurances (including financial risk-sharing) that minimize the inappropriate substitution of other services under title XVIII of such Act for community nursing services; and

(B) if the Secretary determines that the organization has failed to perform in accordance with the requirements of the project (including meeting financial responsibility requirements under the project, any pattern of disproportionate or inappropriate institutionalization) the Secretary shall, after notice, terminate the project.

(d) DETERMINATION OF PER CAPITA PAYMENT RATES.—

(1) The Secretary shall determine for each 12-month period in which a demonstration project is conducted under this section, and shall announce (in a manner intended to provide notice to interested parties) not later than three months before the beginning of such period, with respect to each eligible organization conducting a demonstration project under this section, a per capita rate of payment for each class of individuals who are enrolled with such organization who are entitled to benefits

under part A and enrolled under part B of title XVIII of the Social Security Act.

(2)(A) Except as provided in paragraph (3), the per capita rate of payment under paragraph (1) shall be determined in accordance with this paragraph.

(B) The Secretary shall define appropriate classes of members, based on age, disability status, and such other factors as the Secretary determines to be appropriate, so as to ensure actuarial equivalence. The Secretary may add to, modify, or substitute for such classes, if such changes will improve the determination of actuarial equivalence.

(C) The per capita rate of payment under paragraph (1) for each such class shall be equal to 95 percent of the adjusted average per capita cost (as defined in subparagraph (D)) for that class.

(D) For purposes of subparagraph (C), the term 'adjusted average per capita cost' means the average per capita amount that the Secretary estimates in advance (on the basis of actual experience, or retrospective actuarial equivalent based upon an adequate sample and other information and data, in a geographic area served by an eligible organization or in a similar area, with appropriate adjustments to assure actuarial equivalence) would be payable in any contract year for those services covered under parts A and B of title XVIII of the Social Security Act and types of expenses otherwise reimbursable under such parts A and B which are described in subparagraphs (A) through (G) of subsection (b)(1) (including administrative costs incurred by organizations described in sections 1816 and 1842 of such Act), if the services were to be furnished by other than an eligible organization.

(3) The Secretary shall, in consultation with providers, health policy experts, and consumer groups develop capitation-based reimbursement rates for such classes of individuals entitled to benefits under part A and enrolled under part B of the Social Security Act as the Secretary shall determine. Such rates shall be applied in determining per capita rates of payment under paragraph (1) with respect to at least one eligible organization conducting a demonstration project under this section.

(4)(A) In the case of an eligible organization conducting a demonstration project under this section, the Secretary shall make monthly payments in advance and in accordance with the rate determined under paragraph (2) or (3), except as provided in subsection (e)(3)(B), to the organization for each individual enrolled with the organization.

(B) The amount of payment under paragraph (2) or (3) may be retroactively adjusted to take into account any difference between the actual number of individuals enrolled in the plan under this section and the number of such individuals estimated to be so enrolled in determining the amount of the advance payment.

(5) The payment to an eligible organization under this section for individuals enrolled under this section with the organization and entitled to benefits under part A and enrolled under part B of the Social Security Act shall be made from the Federal Hospital Insurance Trust Fund and the Federal Supplementary Medical Insurance Trust Fund established under such Act in such proportions from each such trust fund as the Secretary

deems to be fair and equitable taking into consideration benefits attributable to such parts A and B, respectively.

(6) During any period in which an individual is enrolled with an eligible organization conducting a demonstration project under this section, only the eligible organization (and no other individual or person) shall be entitled to receive payments from the Secretary under this title for community nursing and ambulatory care (as defined in subsection (b)(1)) furnished to the individual.

(e) RESTRICTION ON PREMIUMS, DEDUCTIBLES, COPAYMENTS, AND COINSURANCE.—

(1) In no case may the portion of an eligible organization's premium rate and the actuarial value of its deductibles, coinsurance, and copayments charged (with respect to community nursing and ambulatory care) to individuals who are enrolled under this section with the organization, exceed the actuarial value of the coinsurance and deductibles that would be applicable on the average to individuals enrolled under this section with the organization (or, if the Secretary finds that adequate data are not available to determine that actuarial value, the actuarial value of the coinsurance and deductibles applicable on the average to individuals in the area, in the State, or in the United States, eligible to enroll under this section with the organization, or other appropriate data) and entitled to benefits under part A and enrolled under part B of the Social Security Act, if they were not members of an eligible organization.

(2) If the eligible organization provides to its members enrolled under this section services in addition to community nursing and ambulatory care, election of coverage for such additional services shall be optional for such members and such organization shall furnish such members with information on the portion of its premium rate or other charges applicable to such additional services. In no case may the sum of—

(A) the portion of such organization's premium rate charged, with respect to such additional services, to members enrolled under this section, and

(B) the actuarial value of its deductibles, coinsurance, and copayments charged, with respect to such services to such members

exceed the adjusted community rate for such services (as defined in section 1876(e)(3) of the Social Security Act).

(3)(A) Subject to subparagraphs (B) and (C), each agreement to conduct a demonstration project under this section shall provide that if—

(i) the adjusted community rate, referred to in paragraph (2), for community nursing and ambulatory care covered under parts A and B of title XVIII of the Social Security Act (as reduced for the actuarial value of the coinsurance and deductibles under those parts) for members enrolled under this section with the organization,

is less than

(ii) the average of the per capita rates of payment to be made under subsection (d)(1) at the beginning of the 12-month period (as determined on such basis as the Secretary determines appropriate) described in such subsection for members enrolled under this section with the organization,

the eligible organization shall provide to such members the additional benefits described in section 1876(g)(3) of the Social Security Act which are selected by the eligible organization and which the Secretary finds are at least equal in value to the difference between that average per capita payment and the adjusted community rate (as so reduced).

(B) Subparagraph (A) shall not apply with respect to any organization which elects to receive a lesser payment to the extent that there is no longer a difference between the average per capita payment and adjusted community rate (as so reduced).

(C) An organization conducting a demonstration project under this section may provide (with the approval of the Secretary) that a part of the value of such additional benefits under subparagraph (A) be withheld and reserved by the Secretary as provided in section 1876(g)(5) of the Social Security Act.

Contracts.

(4) The provisions of paragraphs (3), (5), and (6) of section 1876(g) of the Social Security Act shall apply in the same manner to agreements under this section as they apply to risk-sharing contracts under section 1876 of such Act, and, for this purpose, any reference in such paragraphs to paragraph (2) is deemed a reference to paragraph (3) of this subsection.

(5) Section 1876(e)(4) of the Social Security Act shall apply to eligible organizations under this section in the same manner as it applies to eligible organizations under section 1876 of such Act.

SEC. 4102. HOME AND COMMUNITY-BASED SERVICES FOR THE ELDERLY.

(a) IN GENERAL.—

(1) Section 1915 of the Social Security Act (42 U.S.C. 1396n) is amended—

(A) by transferring subsection (d) to the end of such section and redesignating it as subsection (h), and

(B) by inserting after subsection (c) the following new subsection:

“(d)(1) Subject to paragraph (2), the Secretary shall grant a waiver to provide that a State plan approved under this title shall include as ‘medical assistance’ under such plan payment for part or all of the cost of home or community-based services (other than room and board) which are provided pursuant to a written plan of care to individuals 65 years of age or older with respect to whom there has been a determination that but for the provision of such services the individuals would be likely to require the level of care provided in a skilled nursing facility or intermediate care facility the cost of which could be reimbursed under the State plan.

“(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that—

“(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

“(B) with respect to individuals 65 years of age or older who—

“(i) are entitled to medical assistance for skilled nursing or intermediate care facility services under the State plan,

“(ii) may require such services, and

“(iii) may be eligible for such home or community-based services under such waiver,
 the State will provide for an evaluation of the need for such skilled nursing facility or intermediate care facility services; and

natives to the provision of skilled nursing facility or intermediate care facility services, which such individuals may choose if available under the waiver.

Each State with a waiver under this subsection shall provide to the Secretary annually, consistent with a reasonable data collection plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

“(3) A waiver granted under this subsection may include a waiver of the requirements of section 1902(a)(1) (relating to statewideness), section 1902(a)(10)(B) (relating to comparability), and section 1902(a)(10)(C)(i)(III) (relating to income and resource rules applicable in the community). Subject to a termination by the State (with notice to the Secretary) at any time, a waiver under this subsection shall be for an initial term of 3 years and, upon the request of a State, shall be extended for additional 5-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met. A waiver may provide, with respect to post-eligibility treatment of income of all individuals receiving services under the waiver, that the maximum amount of the individual's income which may be disregarded for any month is equal to the amount that may be allowed for that purpose under a waiver under subsection (c).

“(4) A waiver under this subsection may, consistent with paragraph (2), provide medical assistance to individuals for case management services, homemaker/home health aide services and personal care services, adult day health services, respite care, and other medical and social services that can contribute to the health and well-being of individuals and their ability to reside in a community-based care setting.

“(5)(A) In the case of a State having a waiver approved under this subsection, notwithstanding any other provision of section 1903 to the contrary, the total amount expended by the State for medical assistance with respect to skilled nursing facility services, intermediate care facility services, and home and community-based services under the State plan for individuals 65 years of age or older during a waiver year under this subsection may not exceed the projected amount determined under subparagraph (B).

“(B) For purposes of subparagraph (A), the projected amount under this subparagraph is the sum of the following:

“(i) The aggregate amount of the State's medical assistance under this title for skilled nursing facility services and intermediate care facility services furnished to individuals who have attained the age of 65 for the base year increased by a percentage which is equal to the lesser of 7 percent times the number of years beginning after the base year and ending before the waiver year involved or the sum of—

“(I) the percentage increase (based on an appropriate market-basket index representing the costs of elements of such services) between the base year and the waiver year involved, plus

“(II) the percentage increase between the base year and the waiver year involved in the number of residents in the State who have attained the age of 65, plus

“(III) 2 percent for each year beginning after the base year and ending before the waiver year.

“(ii) The aggregate amount of the State’s medical assistance under this title for home and community-based services for individuals who have attained the age of 65 for the base year increased by a percentage which is equal to the lesser of 7 percent times the number of years beginning after the base year and ending before the waiver year involved or the sum of—

“(I) the percentage increase (based on an appropriate market-basket index representing the costs of elements of such services) between the base year and the waiver year involved, plus

“(II) the percentage increase between the base year and the waiver year involved in the number of residents in the State who have attained the age of 65, plus

“(III) 2 percent for each year beginning after the base year and ending before the waiver year.

“(iii) The Secretary shall develop and promulgate by regulation (by not later than October 1, 1989)— Regulations.

“(I) a method, based on an index of appropriately weighted indicators of changes in the wages and prices of the mix of goods and services which comprise both skilled nursing facility services and intermediate care facility services (regardless of the source of payment for such services), for projecting the percentage increase for purposes of clause (i)(I);

“(II) a method, based on an index of appropriately weighted indicators of changes in the wages and prices of the mix of goods and services which comprise home and community-based services (regardless of the source of payment for such services), for projecting the percentage increase for purposes of clause (ii)(I); and

“(III) a method for projecting, on a State specific basis, the percentage increase in the number of residents in each State who are over 75 years of age for any period.

Effective on and after the date the Secretary promulgates the regulation under clause (iii), any reference in this subparagraph to the ‘lesser of 7 percent’ shall be deemed to be a reference to the ‘greater of 7 percent’.

“(C) In this paragraph:

“(i) The term ‘home and community-based services’ includes services described in sections 1905(a)(7) and 1905(a)(8), services described in subsection (c)(4)(B), services described in paragraph (4)(B), personal care services, and services furnished pursuant to a waiver under subsection (c).

“(ii)(I) Subject to subclause (II), the term ‘base year’ means the most recent year (ending before the date of the enactment of this subsection) for which actual final expenditures under this title have been reported to, and accepted by, the Secretary.

“(II) For purposes of subparagraph (C), in the case of a State that does not report expenditures on the basis of the age categories described in such subparagraph for a year ending before the date of the enactment of this subsection, the term ‘base year’ means fiscal year 1989.

“(iii) The term ‘intermediate care facility services’ does not include services furnished in an institution certified in accordance with section 1905(d).

“(6)(A) A determination by the Secretary to deny a request for a waiver (or extension of waiver) under this subsection shall be subject to review to the extent provided under section 1116(b).

“(B) Notwithstanding any other provision of this Act, if the Secretary denies a request of the State for an extension of a waiver under this subsection, any waiver under this subsection in effect on the date such request is made shall remain in effect for a period of not less than 90 days after the date on which the Secretary denies such request (or, if the State seeks review of such determination in accordance with subparagraph (A), the date on which a final determination is made with respect to such review).”

Effective date.

SEC. 4112. ADJUSTMENT IN MEDICAID PAYMENT FOR INPATIENT HOSPITAL SERVICES FURNISHED BY DISPROPORTIONATE SHARE HOSPITALS.

(a) **IMPLEMENTATION OF REQUIREMENT.**—

(1) A State's plan under title XIX of the Social Security Act shall not be considered to meet the requirement of section 1902(a)(13)(A) of such Act (insofar as it requires payments to hospitals to take into account the situation of hospitals which serve a disproportionate number of low income patients with special needs), as of July 1, 1988, unless the State has submitted to the Secretary of Health and Human Services, by not later than such date, an amendment to such plan that—

(A) specifically defines the hospitals so described (and includes in such definition any disproportionate share hospital described in subsection (b)(1) which meets the requirement of subsection (d)), and

(B) provides, effective for inpatient hospital services provided not later than July 1, 1988, for an appropriate increase in the rate or amount of payment for such services provided by such hospitals, consistent with subsection (c).

(2)(A) In order to be considered to have met such requirement of section 1902(a)(13)(A) as of July 1, 1989, the State must submit to the Secretary of Health and Human Services by not later than such date, the State plan amendment described in paragraph (1), consistent with subsection (c).

42 USC 1308
note.

42 USC 1396a
note.

(B) In order to be considered to have met such requirement of section 1902(a)(13)(A) as of July 1, 1990, the State must submit to the Secretary of Health and Human Services by not later than such date, the State plan amendment described in paragraph (1), consistent with subsection (c).

The Secretary shall, not later than June 30 of each year in which the State is required to submit an amendment under this subsection, review each such amendment for compliance with such requirement and by such date shall approve or disapprove each such amendment. If the Secretary disapproves such an amendment, the State shall immediately submit a revised amendment which meets such requirement. The requirement of this subsection may not be waived under section 1915(b)(4) of the Social Security Act.

(b) HOSPITALS DEEMED DISPROPORTIONATE SHARE.—

(1) For purposes of subsection (a)(1), a hospital which meets the requirement of subsection (d) is deemed to be a disproportionate share hospital if—

(A) the hospital's medicaid inpatient utilization rate (as defined in paragraph (2)) is at least one standard deviation above the mean medicaid inpatient utilization rate for hospitals receiving medicaid payments in the State; or

(B) the hospital's low-income utilization rate (as defined in paragraph (3)) exceeds 25 percent.

(2) For purposes of paragraph (1)(A), the term "medicaid inpatient utilization rate" means, for a hospital, a fraction (expressed as a percentage), the numerator of which is the hospital's number of inpatient days attributable to patients who (for such days) were eligible for medical assistance under the State plan approved under title XIX of the Social Security Act in a period, and the denominator of which is the total number of the hospital's inpatient days in that period.

(3) For purposes of paragraph (1)(B), the term "low-income utilization rate" means, for a hospital, the sum of—

(A) the fraction (expressed as a percentage)—

(i) the numerator of which is the sum (for a period) of

(I) the total revenues paid the hospital for patient services under a State plan under title XIX of the Social Security Act and (II) the amount of the cash subsidies for patient services received directly from State and local governments, and

(ii) the denominator of which is the total amount of revenues of the hospital for patient services (including the amount of such cash subsidies) in the period; and

(B) a fraction (expressed as a percentage)—

(i) the numerator of which is the total amount of the hospital's charges for inpatient hospital services which are attributable to charity care in a period, and

(ii) the denominator of which is the total amount of the hospital's charges for inpatient hospital services in the hospital in the period.

The numerator under subparagraph (B)(i) shall not include contractual allowances and discounts (other than for indigent patients not eligible for medical assistance under a State plan approved under title XIX of the Social Security Act).

(c) PAYMENT ADJUSTMENT.—In order to be consistent with this subsection, a payment adjustment for a disproportionate share hospital must either—

(1) be in an amount equal to the product of (A) the amount paid under the State plan to the hospital for operating costs for inpatient hospital services (of the kind described in section 1886(a)(4)), and (B) the hospital's disproportionate share adjustment percentage (established under section 1886(d)(5)(F)(iv)); or

(2) provide for a minimum specified additional payment amount (or increased percentage payment) and for an increase in such a payment amount (or percentage payment) in proportion to the percentage by which the hospital's medicaid utilization rate (as defined in subsection (b)(2)) exceeds one standard deviation above the mean medicaid inpatient utilization rate for hospitals receiving medicaid payments in the State;

except that, for purposes of paragraphs (2)(A) and (2)(B), the payment adjustment for a disproportionate share hospital is consistent with this subsection if the appropriate increase in the rate or amount of payment is equal to one-third of the increase otherwise applicable under subsection (c) (in the case of paragraph (2)(A)) and two-thirds of such increase (in the case of paragraph (2)(B)).

(d) REQUIREMENT TO ⁵¹ QUALIFY AS DISPROPORTIONATE SHARE HOSPITAL.—

(1) Except as provided in paragraph (2), no hospital may be defined or deemed as a disproportionate share hospital under a State plan under title XIX of the Social Security Act or under subsection (b) of this section unless the hospital has at least 2 obstetricians who have staff privileges at the hospital and who have agreed to provide obstetric services to individuals who are entitled to medical assistance for such services under such State plan.

(2)(A) Paragraph (1) shall not apply to a hospital—

(i) the inpatients of which are predominantly individuals under 18 years of age; or

(ii) which does not offer nonemergency obstetric services to the general population as of the date of the enactment of this Act.

(B) In the case of a hospital located in a rural area (as defined for purposes of section 1886 of the Social Security Act), in paragraph (1) the term "obstetrician" includes any physician with staff privileges at the hospital to perform nonemergency obstetric procedures.

(e) **SPECIAL RULE.**—A State plan shall be considered to meet the requirement of section 1902(a)(13)(A) (insofar as it requires payments to hospitals to take into account the situation of hospitals which serve a disproportionate number of low income patients with special needs) without regard to the requirement of subsection (a) if the plan provided for payment adjustments for disproportionate share hospitals as of January 1, 1984, and if the aggregate amount of the payment adjustments under the plan for such hospitals is not less than the aggregate amount of such adjustments otherwise required to be made under such subsection.

“(B) by not later than October 1, 1990, designate one or more instruments which are consistent with the specification made under subparagraph (A) and which a State may specify under subsection (e)(5)(A) for use by nursing facilities in complying with the requirements of subsection (b)(3)(A)(iii).

“(7) **LIST OF ITEMS AND SERVICES FURNISHED IN SKILLED NURSING FACILITIES NOT CHARGEABLE TO THE PERSONAL FUNDS OF A RESIDENT.**—

“(A) REGULATIONS REQUIRED.—Pursuant to the requirement of section 21(b) of the Medicare-Medicaid Anti-Fraud and Abuse Amendments of 1977, the Secretary shall issue regulations, on or before the first day of the seventh month to begin after the date of enactment of this section, that define those costs which may be charged to the personal funds of patients in skilled nursing facilities who are individuals receiving benefits under this part and those costs which are to be included in the reasonable cost (or other payment amount) under this title for extended care services.

“(B) RULE IF FAILURE TO PUBLISH REGULATIONS.—If the Secretary does not issue the regulations under subparagraph (A) on or before the date required in such subparagraph, in the case of a resident of a skilled nursing facility who is eligible to receive benefits under this part, the costs which may not be charged to the personal funds of such resident (and for which payment is considered to be made under this title) shall not include, at a minimum, the costs for routine personal hygiene items and services furnished by the facility.”.

(b) COSTS OF MEETING REQUIREMENTS.—

42 USC 1395x.

(1) UNDER REASONABLE COST.—Section 1861(v)(1)(E) of such Act (42 U.S.C. 1395s(v)(1)(E)) is amended by adding at the end the following new sentence: “Notwithstanding the previous sentence, such regulations with respect to skilled nursing facilities shall take into account (in a manner consistent with subparagraph (A) and based on patient-days of services furnished) the costs of such facilities complying with the requirements of subsections (b), (c), and (d) of section 1819 (including the costs of conducting nurse aide training and competency evaluation programs and competency evaluation programs).”.

(2) ADJUSTMENT IN PROSPECTIVE PAYMENTS.—Section 1888(d) of such Act (42 U.S.C. 1395yy(d)) is amended by adding at the end the following new paragraph:

“(7) In computing the rates of payment to be made under this subsection, there shall be taken into account the costs described in the last sentence of section 1861(v)(1)(E) (relating to compliance with nursing facility requirements and of conducting nurse aide training and competency evaluation programs and competency evaluation programs).”.

(d) CONFORMING AMENDMENT.—Section 1861(a)(2) of the Social Security Act (42 U.S.C. 1395x(a)(2)) is amended by striking “skilled nursing facility” and inserting “facility described in section 1919(a)(2) or subsection (y)(1)”.

SEC. 4202. SURVEY AND CERTIFICATION PROCESS.

(a) STATE REQUIREMENT FOR PROCESS.—Title XVIII of the Social Security Act is amended—

(1) in section 1864(d) (42 U.S.C. 1395aa(d)), as added by section 4201(a)(2) of this Act, by inserting before the period “and section 1819(g)”, and

(2) in section 1819, as added by section 4201(a)(3) of this Act, by adding at the end the following new subsection:

“(g) SURVEY AND CERTIFICATION PROCESS.—

“(1) STATE AND FEDERAL RESPONSIBILITY.—

“(A) IN GENERAL.—Pursuant to an agreement under section 1864, each State shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of skilled nursing facilities (other than facilities of the State) with the requirements of subsections (b), (c), and (d). The Secretary shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of State skilled nursing facilities with the requirements of such subsections.

“(B) EDUCATIONAL PROGRAM.—Each State shall conduct periodic educational programs for the staff and residents (and their representatives) of skilled nursing facilities in order to present current regulations, procedures, and policies under this section.

“(C) INVESTIGATION OF ALLEGATIONS OF RESIDENT NEGLECT AND ABUSE AND MISAPPROPRIATION OF RESIDENT PROPERTY.—The State shall provide, through the agency responsible for surveys and certification of nursing facilities under this subsection, for a process for the receipt, review, and investigation of allegations of neglect and abuse and misappropriation of resident property by a nurse aide of a resident in a nursing facility. If the State finds, after notice to the nurse aide involved and a reasonable opportunity for a hearing for the nurse aide to rebut allegations, that a nurse aide whose name is contained in a nurse aide registry has neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the nurse aide and the registry of such finding.

“(D) CONSTRUCTION.—The failure of the Secretary to establish standards under subsection (f) shall not relieve a State of its responsibility under this subsection.

“(2) SURVEYS.—

“(A) STANDARD SURVEY.—

“(i) IN GENERAL.—Each skilled nursing facility shall be subject to a standard survey, to be conducted without any prior notice to the facility. Any individual who notifies (or causes to be notified) a skilled nursing facility of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed \$2,000. The Secretary shall provide for imposition of civil money penalties under this clause in a manner similar to that for the imposition of civil money penalties under section 1128A. The Secretary shall review each State's procedures for the scheduling and conduct of standard surveys to assure that the State has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

“(ii) CONTENTS.—Each standard survey shall include, for a case-mix stratified sample of residents—

“(I) a survey of the quality of care furnished, as measured by indicators of medical, nursing, and rehabilitative care, dietary and nutrition services,

activities and social participation, and sanitation, infection control, and the physical environment.

"(II) written plans of care provided under subsection (b)(2) and an audit of the residents' assessments under subsection (b)(3) to determine the accuracy of such assessments and the adequacy of such plans of care, and

"(III) a review of compliance with residents' rights under subsection (c).

"(iii) FREQUENCY.—

"(I) IN GENERAL.—Each skilled nursing facility shall be subject to a standard survey not later than 15 months after the date of the previous standard survey conducted under this subparagraph. The Statewide average interval between standard surveys of skilled nursing facilities under this subsection shall not exceed 12 months.

"(II) SPECIAL SURVEYS.—If not otherwise conducted under subclause (I), a standard survey (or an abbreviated standard survey) may be conducted within 2 months of any change of ownership, administration, management of a skilled nursing facility, or the director of nursing in order to determine whether the change has resulted in any decline in the quality of care furnished in the facility.

"(B) EXTENDED SURVEYS.—

"(i) IN GENERAL.—Each skilled nursing facility which is found, under a standard survey, to have provided substandard quality of care shall be subject to an extended survey. Any other facility may, at the Secretary's or State's discretion, be subject to such an extended survey (or a partial extended survey).

"(ii) TIMING.—The extended survey shall be conducted immediately after the standard survey (or, if not practical, not later than 2 weeks after the date of completion of the standard survey).

"(iii) CONTENTS.—In such an extended survey, the survey team shall review and identify the policies and procedures which produced such substandard quality of care and shall determine whether the facility has complied with all the requirements described in subsections (b), (c), and (d). Such review shall include an expansion of the size of the sample of residents' assessments reviewed and a review of the staffing, of in-service training, and, if appropriate, of contracts with consultants.

"(iv) CONSTRUCTION.—Nothing in this paragraph shall be construed as requiring an extended or partial extended survey as a prerequisite to imposing a sanction against a facility under subsection (h) on the basis of findings in a standard survey.

"(C) SURVEY PROTOCOL.—Standard and extended surveys shall be conducted—

"(i) based upon a protocol which the Secretary has developed, tested, and validated by not later than October 1, 1990, and

Contracts.

“(ii) by individuals, of a survey team, who meet such minimum qualifications as the Secretary establishes by not later than such date.

The failure of the Secretary to develop, test, or validate such protocols or to establish such minimum qualifications shall not relieve any State of its responsibility (or the Secretary of the Secretary's responsibility) to conduct surveys under this subsection.

“(D) **CONSISTENCY OF SURVEYS.**—Each State and the Secretary shall implement programs to measure and reduce inconsistency in the application of survey results among surveyors.

“(E) **SURVEY TEAMS.**—

“(i) **IN GENERAL.**—Surveys under this subsection shall be conducted by a multidisciplinary team of professionals (including a registered professional nurse).

“(ii) **PROHIBITION OF CONFLICTS OF INTEREST.**—A State may not use as a member of a survey team under this subsection an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the facility surveyed respecting compliance with the requirements of subsections (b), (c), and (d), or who has a personal or familial financial interest in the facility being surveyed.

“(iii) **TRAINING.**—The Secretary shall provide for the comprehensive training of State and Federal surveyors in the conduct of standard and extended surveys under this subsection, including the auditing of resident assessments and plans of care. No individual shall serve as a member of a survey team unless the individual has successfully completed a training and testing program in survey and certification techniques that has been approved by the Secretary.

“(3) **VALIDATION SURVEYS.**—

“(A) **IN GENERAL.**—The Secretary shall conduct onsite surveys of a representative sample of skilled nursing facilities in each State, within 2 months of the date of surveys conducted under paragraph (2) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under paragraph (2). In conducting such surveys, the Secretary shall use the same survey protocols as the State is required to use under paragraph (2). If the State has determined that an individual skilled nursing facility meets the requirements of subsections (b), (c), and (d), but the Secretary determines that the facility does not meet such requirements, the Secretary's determination as to the facility's noncompliance with such requirements is binding and supersedes that of the State survey.

“(B) **SCOPE.**—With respect to each State, the Secretary shall conduct surveys under subparagraph (A) each year with respect to at least 5 percent of the number of skilled nursing facilities surveyed by the State in the year, but in no case less than 5 skilled nursing facilities in the State.

“(C) **REMEDIES FOR SUBSTANDARD PERFORMANCE.**—If the Secretary finds, on the basis of such surveys, that a State has failed to perform surveys as required under paragraph

(2) or that a State's survey and certification performance otherwise is not adequate, the Secretary shall provide for an appropriate remedy, which may include the training of survey teams in the State.

⁶⁰“(D) SPECIAL SURVEYS OF COMPLIANCE.—Where the Secretary has reason to question the compliance of a skilled nursing facility with any of the requirements of subsections (b), (c), and (d), the Secretary may conduct a survey of the facility and, on that basis, make independent and binding determinations concerning the extent to which the skilled nursing facility meets such requirements.

“(4) INVESTIGATION OF COMPLAINTS AND MONITORING COMPLIANCE.—Each State shall maintain procedures and adequate staff to—

“(A) investigate complaints of violations of requirements by skilled nursing facilities, and

“(B) monitor, on-site, on a regular, as needed basis, a skilled nursing facility's compliance with the requirements of subsections (b), (c), and (d), if—

“(i) the facility has been found not to be in compliance with such requirements and is in the process of correcting deficiencies to achieve such compliance;

“(ii) the facility was previously found not to be in compliance with such requirements, has corrected deficiencies to achieve such compliance, and verification of continued compliance is indicated; or

“(iii) the State has reason to question the compliance of the facility with such requirements.

A State may maintain and utilize a specialized team (including an attorney, an auditor, and appropriate health care professionals) for the purpose of identifying, surveying, gathering and preserving evidence, and carrying out appropriate enforcement actions against chronically substandard skilled nursing facilities.

“(5) DISCLOSURE OF RESULTS OF INSPECTIONS AND ACTIVITIES.—

“(A) PUBLIC INFORMATION.—Each State, and the Secretary, shall make available to the public—

“(i) information respecting all surveys and certifications made respecting skilled nursing facilities, including statements of deficiencies and plans of correction,

“(ii) copies of cost reports of such facilities filed under this title or title XIX,

“(iii) copies of statements of ownership under section 1124, and

“(iv) information disclosed under section 1126.

“(B) NOTICE TO OMBUDSMAN.—Each State shall notify the State long-term care ombudsman (established under section 307(a)(12) of the Older Americans Act of 1965) of the State's findings of noncompliance with any of the requirements of subsections (b), (c), and (d), with respect to a skilled nursing facility in the State.

“(C) NOTICE TO PHYSICIANS AND SKILLED NURSING FACILITY ADMINISTRATOR LICENSING BOARD.—If a State finds that a

skilled nursing facility has provided substandard quality of care, the State shall notify—

“(i) the attending physician of each resident with respect to which such finding is made, and

“(ii) the State board responsible for the licensing of the skilled nursing facility administrator at the facility.

“(D) ^{60a} ACCESS TO FRAUD CONTROL UNITS.—Each State shall provide its State medicaid fraud and abuse control unit (established under section 1903(q)) with access to all information of the State agency responsible for surveys and certifications under this subsection.”

(c) POSTING SURVEY RESULTS.—Section 1864(a) of such Act (42 U.S.C. 1395aa(a)) is amended by inserting, after “readily available form and place” in the fifth sentence, the following: “, and require (in the case of skilled nursing facilities) the posting in a place readily accessible to patients (and patients’ representatives),”.

SEC. 4203. ENFORCEMENT PROCESS.

(a) STATE REQUIREMENT.—Title XVIII of the Social Security Act is amended—

(1) in section 1864(d) (42 U.S.C. 1395aa(d)), as added by section 4201(a)(2) and as amended by section 4202(a)(1) of this Act, by inserting before the period at the end the following: “and the establishment of remedies under sections 1819(h)(2)(B) and 1819(h)(2)(C) (relating to establishment and application of remedies)”;

(2) by adding at the end of section 1819 of such Act, as added by section 4201(a)(3) and as amended by section 4202(a)(2), the end the following new subsection:

“(h) ENFORCEMENT PROCESS.—

“(1) IN GENERAL.—If a State finds, on the basis of a standard, extended, or partial extended survey under subsection (g)(2) or otherwise, that a skilled nursing facility no longer meets a requirement of subsection (b), (c), or (d), and further finds that the facility’s deficiencies—

“(A) immediately jeopardize the health or safety of its residents, the State shall recommend to the Secretary that the Secretary take such action as described in paragraph (2)(A)(i); or

“(B) do not immediately jeopardize the health or safety of its residents, the State may recommend to the Secretary that the Secretary take such action as described in paragraph (2)(A)(ii).

If a State finds that a skilled nursing facility meets the requirements of subsections (b), (c), and (d), but, as of a previous period, did not meet such requirements, the State may recommend a civil money penalty under paragraph (2)(B)(ii) for the days in which it finds that the facility was not in compliance with such requirements.

“(2) SECRETARIAL AUTHORITY.—

“(A) IN GENERAL.—With respect to any skilled nursing facility in a State, if the Secretary finds, or pursuant to a recommendation of the State under paragraph (1) finds, that a skilled nursing facility no longer meets a requirement of subsection (b), (c), (d), or (e), and further finds that the facility’s deficiencies—

^{60a} Copy read ““(C)”.

“(i) immediately jeopardize the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subparagraph (B)(iii), or terminate the facility’s participation under this title and may provide, in addition, for one or more of the other remedies described in subparagraph (B); or

“(ii) do not immediately jeopardize the health or safety of its residents, the Secretary may impose any of the remedies described in subparagraph (B).

Nothing in this subparagraph shall be construed as restricting the remedies available to the Secretary to remedy a skilled nursing facility’s deficiencies. If the Secretary finds, or pursuant to the recommendation of the State under paragraph (1) finds, that a skilled nursing facility meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subparagraph (B)(ii) for the days on which he finds that the facility was not in compliance with such requirements.

“(B) SPECIFIED REMEDIES.—The Secretary may take the following actions with respect to a finding that a facility has not met an applicable requirement:

“(i) DENIAL OF PAYMENT.—The Secretary may deny any further payments under this title with respect to all individuals entitled to benefits under this title in the facility or with respect to such individuals admitted to the facility after the effective date of the finding.

“(ii) AUTHORITY WITH RESPECT TO CIVIL MONEY PENALTIES.—The Secretary may impose a civil money penalty in an amount not to exceed \$10,000 for each day of noncompliance and the Secretary shall impose and collect such a penalty in the same manner as civil money penalties are imposed and collected under section 1128A.

“(iii) APPOINTMENT OF TEMPORARY MANAGEMENT.—In consultation with the State, the Secretary may appoint temporary management to oversee the operation of the facility and to assure the health and safety of the facility’s residents, where there is a need for temporary management while—

“(I) there is an orderly closure of the facility, or

“(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d).

The temporary management under this clause shall not be terminated under subclause (II) until the Secretary has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d).

The Secretary shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more

severe fines for repeated or uncorrected deficiencies. In addition, the Secretary may provide for other specified remedies, such as directed plans of correction.

"(C) CONTINUATION OF PAYMENTS PENDING REMEDIATION.—The Secretary may continue payments, over a period of not longer than 6 months, under this title with respect to a skilled nursing facility not in compliance with a requirement of subsection (b), (c), or (d), if—

"(i) the State survey agency finds that it is more appropriate to take alternative action to assure compliance of the facility with the requirements than to terminate the certification of the facility,

"(ii) the State has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action, and

"(iii) the facility agrees to repay to the Federal Government payments received under this subparagraph if the corrective action is not taken in accordance with the approved plan and timetable.

The Secretary shall establish guidelines for approval of corrective actions requested by States under this subparagraph.

"(D) ASSURING PROMPT COMPLIANCE.—If a skilled nursing facility has not complied with any of the requirements of subsections (b), (c), and (d), within 3 months after the date the facility is found to be out of compliance with such requirements, the Secretary shall impose the remedy described in subparagraph (B)(i) for all individuals who are admitted to the facility after such date.

"(E) REPEATED NONCOMPLIANCE.—In the case of a skilled nursing facility which, on 3 consecutive standard surveys conducted under subsection (g)(2), has been found to have provided substandard quality of care, the Secretary shall (regardless of what other remedies are provided)—

"(i) impose the remedy described in subparagraph (B)(i), and

"(ii) monitor the facility under subsection (g)(4)(B), until the facility has demonstrated, to the satisfaction of the Secretary, that it is in compliance with the requirements of subsections (b), (c), and (d), and that it will remain in compliance with such requirements.

"(3) EFFECTIVE PERIOD OF DENIAL OF PAYMENT.—A finding to deny payment under this subsection shall terminate when the Secretary finds that the facility is in substantial compliance with all the requirements of subsections (b), (c), and (d).

"(4) IMMEDIATE TERMINATION OF PARTICIPATION FOR FACILITY WHERE SECRETARY FINDS NONCOMPLIANCE AND IMMEDIATE JEOPARDY.—If the Secretary finds that a skilled nursing facility has not met a requirement of subsection (b), (c), or (d), and finds that the failure immediately jeopardizes the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(B)(iii), or the Secretary shall terminate the facility's participation under this title. If the facility's participation under this title is terminated, the State shall provide for the safe and orderly transfer of the residents eligible

under this title consistent with the requirements of subsection (c)(2).

"(5) CONSTRUCTION.—The remedies provided under this subsection are in addition to those otherwise available under State or Federal law and shall not be construed as limiting such other remedies, including any remedy available to an individual at common law. The remedies described in clauses (i), (iii), and (iv) of paragraph (2)(A) may be imposed during the pendency of any hearing.

"(6) SHARING OF INFORMATION.—Notwithstanding any other provision of law, all information concerning skilled nursing facilities required by this section to be filed with the Secretary or a State agency shall be made available to Federal or State employees for purposes consistent with the effective administration of programs established under this title and title XIX, including investigations by State medicaid fraud control units."

(b) WAIVER OF PAPERWORK REDUCTION.—Chapter 35 of title 44, United States Code, shall not apply to information required for purposes of carrying out this part and implementing the amendments made by this part.

"(1) is primarily engaged in providing to residents—

"(A) skilled nursing care and related services for residents who require medical or nursing care,

"(B) rehabilitation services for the rehabilitation of injured, disabled, or sick persons, or

"(C) on a regular basis, health-related care and services to individuals who because of their mental or physical condition require care and services (above the level of room and board) which can be made available to them only through institutional facilities,

and is not primarily for the care and treatment of mental diseases;

"(2) has in effect a transfer agreement (meeting the requirements of section 1861(l)) with one or more hospitals having agreements in effect under section 1866; and

"(3) meets the requirements for a nursing facility described in subsections (b), (c), and (d) of this section.

Such term also includes any facility which is located in a State on an Indian reservation and is certified by the Secretary as meeting the requirements of paragraph (1) and subsections (b), (c), and (d).

"(b) REQUIREMENTS RELATING TO PROVISION OF SERVICES.—

"(1) QUALITY OF LIFE.—

"(A) IN GENERAL.—A nursing facility must care for its residents in such a manner and in such an environment as will promote maintenance or enhancement of the quality of life of each resident.

"(B) QUALITY ASSESSMENT AND ASSURANCE.—A nursing facility must maintain a quality assessment and assurance committee, consisting of the director of nursing services, a physician designated by the facility, and at least 3 other members of the facility's staff, which (i) meets at least quarterly to identify issues with respect to which quality assessment and assurance activities are necessary and (ii) develops and implements appropriate plans of action to correct identified quality deficiencies.

"(2) SCOPE OF SERVICES AND ACTIVITIES UNDER PLAN OF CARE.—A nursing facility must provide services and activities to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident in accordance with a written plan of care which—

"(A) describes the medical, nursing, and psychosocial needs of the resident and how such needs will be met;

"(B) is initially prepared, with the participation to the extent practicable of the resident or the resident's family or legal representative, by a team which includes the resident's attending physician and a registered professional nurse with responsibility for the resident; and

"(C) is periodically reviewed and revised by such team after each assessment under paragraph (3).

"(3) RESIDENTS' ASSESSMENT.—

"(A) REQUIREMENT.—A nursing facility must conduct a comprehensive, accurate, standardized, reproducible assess-

ment of each resident's functional capacity, which assessment—

“(i) describes the resident's capability to perform daily life functions and significant impairments in functional capacity;

“(ii) is based on a uniform minimum data set specified by the Secretary under subsection (f)(6)(A);

“(iii) in the case of a resident eligible for benefits under this title, uses an instrument which is specified by the State under subsection (e)(5); and

“(iv) in the case of a resident eligible for benefits under part A of title XVIII, includes the identification of medical problems.

“(B) CERTIFICATION.—

“(i) IN GENERAL.—Each such assessment must be conducted or coordinated (with the appropriate participation of health professionals) by a registered professional nurse who signs and certifies the completion of the assessment. Each individual who completes a portion of such an assessment shall sign and certify as to the accuracy of that portion of the assessment.

“(ii) PENALTY FOR FALSIFICATION.—

“(I) An individual who willfully and knowingly certifies under clause (i) a material and false statement in a resident assessment is subject to a civil money penalty of not more than \$1,000 with respect to each assessment.

“(III) The Secretary shall provide for imposition of civil money penalties under this clause in a manner similar to that for the imposition of civil money penalties under section 1128A.

“(iii) USE OF INDEPENDENT ASSESSORS.—If a State determines, under a survey under subsection (g) or otherwise, that there has been a knowing and willful certification of false assessments under this paragraph, the State may require (for a period specified by the State) that resident assessments under this paragraph be conducted and certified by individuals who are independent of the facility and who are approved by the State.

“(C) FREQUENCY.—

“(i) IN GENERAL.—Such an assessment must be conducted—

“(I) promptly upon (but no later than 4 days after the date of) admission for each individual admitted on or after October 1, 1990, and by not later than October 1, 1991, for each resident of the facility on that date;

“(II) promptly after a significant change in the resident's physical or mental condition; and

“(III) in no case less often than once every 12 months.

“(ii) **RESIDENT REVIEW.**—The nursing facility must examine each resident no less frequently than once every 3 months and, as appropriate, revise the resident's assessment to assure the continuing accuracy of the assessment.

“(D) **USE.**—The results of such an assessment shall be used in developing, reviewing, and revising the resident's plan of care under paragraph (2).

“(E) **COORDINATION.**—Such assessments shall be coordinated with any State-required preadmission screening program to the maximum extent practicable in order to avoid duplicative testing and effort.

“(F) **REQUIREMENTS RELATING TO PREADMISSION SCREENING FOR MENTALLY ILL AND MENTALLY RETARDED INDIVIDUALS.**—A nursing facility must not admit, on or after January 1, 1989, any new resident who—

“(i) is mentally ill (as defined in subsection (e)(7)(G)(i)) unless the State mental health authority has determined (based on an independent physical and mental evaluation performed by a person or entity other than the State mental health authority) prior to admission that, because of the physical and mental condition of the individual, the individual requires the level of services provided by a nursing facility, and, if the individual requires such level of services, whether the individual requires active treatment for mental illness, or

“(ii) is mentally retarded (as defined in subsection (e)(7)(G)(ii)) unless the State mental retardation or developmental disability authority has determined prior to admission that, because of the physical and mental condition of the individual, the individual requires the level of services provided by a nursing facility, and, if the individual requires such level of services, whether the individual requires active treatment for mental retardation.

“(4) **PROVISION OF SERVICES AND ACTIVITIES.**—

“(A) **IN GENERAL.**—To the extent needed to fulfill all plans of care described in paragraph (2), a nursing facility must provide (or arrange for the provision of)—

“(i) nursing and related services and specialized rehabilitative services to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident;

“(ii) medically-related social services to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident;

“(iv) dietary services that assure that the meals meet the daily nutritional and special dietary needs of each resident;

“(v) an on-going program, directed by a qualified professional, of activities designed to meet the interests and the physical, mental, and psychosocial well-being of each resident; and

“(vi) routine dental services (to the extent covered under the State plan) and emergency dental services to meet the needs of each resident.

The services provided or arranged by the facility must meet professional standards of quality.

“(B) QUALIFIED PERSONS PROVIDING SERVICES.—Services described in clauses (i), (ii), (iii), (iv), and (vi) of subparagraph (A) must be provided by qualified persons in accordance with each resident’s written plan of care.

“(C) REQUIRED NURSING CARE; FACILITY WAIVERS.—

“(i) GENERAL REQUIREMENTS.—With respect to nursing facility services provided on or after October 1, 1990, a nursing facility—

“(I) except as provided in clause (ii), must provide 24-hour licensed nursing services which are sufficient to meet the nursing needs of its residents, and

“(II) except as provided in clause (ii), must use the services of a registered nurse for at least 8 consecutive hours a day, 7 days a week.

“(ii) FACILITY WAIVERS.—

“(i) WAIVER BY STATE.—A State may waive the requirement of subclause (I) or (II) of clause (i) with respect to a facility if—

“(I) the facility demonstrates to the satisfaction of the State that the facility has been unable, despite diligent efforts (including offering wages at the community prevailing rate for nursing facilities), to recruit appropriate personnel,

“(II) the State determines that a waiver of the requirement will not endanger the health or safety of individuals staying in the facility, and

“(III) the State finds that, for any such periods in which licensed nursing services are not available, a registered nurse or a physician is obligated to respond immediately to telephone calls from the facility.

(a) IN GENERAL.—Section 1919 of the Social Security Act, as inserted by section 4211, is amended by adding at the end the following new subsection:

“(g) SURVEY AND CERTIFICATION PROCESS.—

“(1) STATE AND FEDERAL RESPONSIBILITY.—

“(A) IN GENERAL.—Under each State plan under this title, the State shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of nursing facilities (other than facilities of the State) with the requirements of subsections (b), (c), and (d). The Secretary shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of State nursing facilities with the requirements of such subsections.

“(B) EDUCATIONAL PROGRAM.—Each State shall conduct periodic educational programs for the staff and residents (and their representatives) of nursing facilities in order to present current regulations, procedures, and policies under this section.

“(C) INVESTIGATION OF ALLEGATIONS OF RESIDENT NEGLECT AND ABUSE AND MISAPPROPRIATION OF RESIDENT PROPERTY.—The State shall provide, through the agency responsible for surveys and certification of nursing facilities under this subsection, for a process for the receipt, review, and investigation of allegations of neglect and abuse and misappropriation of resident property by a nurse aide of a resident in a nursing facility. If the State finds, after notice to the nurse aide involved and a reasonable opportunity for a hearing for the nurse aide to rebut allegations, that a nurse aide whose name is contained in a nurse aide registry has neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the nurse aide and the registry of such finding.

“(D) CONSTRUCTION.—The failure of the Secretary to establish standards under subsection (f) shall not relieve a State of its responsibility under this subsection.

“(2) SURVEYS.—

“(A) ANNUAL STANDARD SURVEY.—

“(i) IN GENERAL.—Each nursing facility shall be subject to a ⁶⁸ standard survey, to be conducted without any prior notice to the facility. Any individual who notifies (or causes to be notified) a nursing facility of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed \$2,000. The Secretary shall provide for imposition of civil money penalties under this clause in a manner similar to that for the imposition of civil money penalties under section 1128A. The Secretary shall review each State’s procedures for scheduling and conduct of standard surveys to assure that the State has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

“(ii) CONTENTS.—Each standard survey shall include, for a case-mix stratified sample of residents—

“(I) a survey of the quality of care furnished, as measured by indicators of medical, nursing, and rehabilitative care, dietary and nutrition services, activities and social participation, and sanitation, infection control, and the physical environment,

“(II) written plans of care provided under subsection (b)(2) and an audit of the residents’ assessments under subsection (b)(3) to determine the accuracy of such assessments and the adequacy of such plans of care, and

“(III) a review of compliance with residents’ rights under subsection (c).

“(iii) FREQUENCY.—

⁶⁸ Copy read “to an standard”.

"(I) IN GENERAL.—Each nursing facility shall be subject to a standard survey not later than 15 months after the date of the previous standard survey conducted under this subparagraph. The statewide⁶⁹ average interval between standard surveys of a nursing facility shall not exceed 12 months.

"(II) SPECIAL SURVEYS.—If not otherwise conducted under subclause (I), a standard survey (or an abbreviated standard survey) may be conducted within 2 months of any change of ownership, administration, management of a nursing facility, or director of nursing in order to determine whether the change has resulted in any decline in the quality of care furnished in the facility.

"(B) EXTENDED SURVEYS.—

"(i) IN GENERAL.—Each nursing facility which is found, under a standard survey, to have provided substandard quality of care shall be subject to an extended survey. Any other facility may, at the Secretary's or State's discretion, be subject to such an extended survey (or a partial extended survey).

"(ii) TIMING.—The extended survey shall be conducted immediately after the standard survey (or, if not practical, not later than 2 weeks after the date of completion of the standard survey).

"(iii) CONTENTS.—In such an extended survey, the survey team shall review and identify the policies and procedures which produced such substandard quality of care and shall determine whether the facility has complied with all the requirements described in subsections (b), (c), and (d). Such review shall include an expansion of the size of the sample of residents' assessments reviewed and a review of the staffing, of in-service training, and, if appropriate, of contracts with consultants.

"(iv) CONSTRUCTION.—Nothing in this paragraph shall be construed as requiring an extended or partial extended survey as a prerequisite to imposing a sanction against a facility under subsection (h) on the basis of findings in a standard survey.

"(C) SURVEY PROTOCOL.—Standard and extended surveys shall be conducted—

"(i) based upon a protocol which the Secretary has developed, tested, and validated by not later than January 1, 1990, and

"(ii) by individuals, of a survey team, who meet such minimum qualifications as the Secretary establishes by not later than such date.

The failure of the Secretary to develop, test, or validate such protocols or to establish such minimum qualifications shall not relieve any State of its responsibility (or the Secretary of the Secretary's responsibility) to conduct surveys under this subsection.

⁶⁹ Copy read "Statewide".

“(D) **CONSISTENCY OF SURVEYS.**—Each State shall implement programs to measure and reduce inconsistency in the application of survey results among surveyors.

“(E) **SURVEY TEAMS.**—

“(i) **IN GENERAL.**—Surveys under this subsection shall be conducted by a multidisciplinary team of professionals (including a registered professional nurse).

“(ii) **PROHIBITION OF CONFLICTS OF INTEREST.**—A State may not use as a member of a survey team under this subsection an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the facility surveyed respecting compliance with the requirements of subsections (b), (c), and (d), or who has a personal or familial financial interest in the facility being surveyed.

“(iii) **TRAINING.**—The Secretary shall provide for the comprehensive training of State and Federal surveyors in the conduct of standard and extended surveys under this subsection, including the auditing of resident assessments and plans of care. No individual shall serve as a member of a survey team unless the individual has successfully completed a training and testing program in survey and certification techniques that has been approved by the Secretary.

“(3) **VALIDATION SURVEYS.**—

“(A) **IN GENERAL.**—The Secretary shall conduct onsite surveys of a representative sample of nursing facilities in each State, within 2 months of the date of surveys conducted under paragraph (2) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under paragraph (2). In conducting such surveys, the Secretary shall use the same survey protocols as the State is required to use under paragraph (2). If the State has determined that an individual nursing facility meets the requirements of subsections (b), (c), and (d), but the Secretary determines that the facility does not meet such requirements, the Secretary's determination as to the facility's noncompliance with such requirements is binding and supersedes that of the State survey.

“(B) **SCOPE.**—With respect to each State, the Secretary shall conduct surveys under subparagraph (A) each year with respect to at least 5 percent of the number of nursing facilities surveyed by the State in the year, but in no case less than 5 nursing facilities in the State.

“(C) **REDUCTION IN ADMINISTRATIVE COSTS FOR SUBSTANDARD PERFORMANCE.**—If the Secretary finds, on the basis of such surveys, that a State has failed to perform surveys as required under paragraph (2) or that a State's survey and certification performance otherwise is not adequate, the Secretary may provide for the training of survey teams in the State and shall provide for a reduction of the payment otherwise made to the State under section 1903(a)(2)(D) with respect to a quarter equal to 33 percent multiplied by a fraction, the denominator of which is equal to the total number of residents in nursing facilities surveyed by the Secretary that quarter and the numerator of which is equal to the total number of residents in nursing

facilities which were found pursuant to such surveys to be not in compliance with any of the requirements of subsections (b), (c), and (d). A State that is dissatisfied with the Secretary's findings under this subparagraph may obtain reconsideration and review of the findings under section 1116 in the same manner as a State may seek reconsideration and review under that section of the Secretary's determination under section 1116(a)(1).

“(C) SPECIAL SURVEYS OF COMPLIANCE.—Where the Secretary has reason to question the compliance of a nursing facility with any of the requirements of subsections (b), (c), and (d), the Secretary may conduct a survey of the facility and, on that basis, make independent and binding determinations concerning the extent to which the nursing facility meets such requirements.

“(4) INVESTIGATION OF COMPLAINTS AND MONITORING NURSING FACILITY COMPLIANCE.—Each State shall maintain procedures and adequate staff to—

“(A) investigate complaints of violations of requirements by nursing facilities, and

“(B) monitor, on-site, on a regular, as needed basis, a nursing facility's compliance with the requirements of subsections (b), (c), and (d), if—

“(i) the facility has been found not to be in compliance with such requirements and is in the process of correcting deficiencies to achieve such compliance;

“(ii) the facility was previously found not to be in compliance with such requirements, has corrected deficiencies to achieve such compliance, and verification of continued compliance is indicated; or

“(iii) the State has reason to question the compliance of the facility with such requirements.

A State may maintain and utilize a specialized team (including an attorney, an auditor, and appropriate health care professionals) for the purpose of identifying, surveying, gathering and preserving evidence, and carrying out appropriate enforcement actions against chronically substandard nursing facilities.

“(5) DISCLOSURE OF RESULTS OF INSPECTIONS AND ACTIVITIES.—

“(A) PUBLIC INFORMATION.—Each State, and the Secretary, shall make available to the public—

“(i) information respecting all surveys and certifications made respecting nursing facilities, including statements of deficiencies and plans of correction,

“(ii) copies of cost reports of such facilities filed under this title or under title XVIII,

“(iii) copies of statements of ownership under section 1124, and

“(iv) information disclosed under section 1126.

“(B) NOTICE TO OMBUDSMAN.— Each State shall notify the State long-term care ombudsman (established under section 307(a)(12) of the Older Americans Act of 1965) of the State's findings of noncompliance with any of the requirements of subsections (b), (c), and (d), with respect to a nursing facility in the State.

“(C) NOTICE TO PHYSICIANS AND NURSING FACILITY ADMINISTRATOR LICENSING BOARD.—If a State finds that a

nursing facility has provided substandard quality of care, the State shall notify—

“(i) the attending physician of each resident with respect to which such finding is made, and

“(ii) any State board responsible for the licensing of the nursing facility administrator of the facility.

“(D) ACCESS TO FRAUD CONTROL UNITS.—Each State shall provide its State medicaid fraud and abuse control unit (established under section 1903(q)) with access to all information of the State agency responsible for surveys and certifications under this subsection.”

note.

of subsection (b), (c), or (d), and further finds that the facility's deficiencies—

"(A) immediately jeopardize the health or safety of its residents, the State shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(A)(iii), or terminate the facility's participation under the State plan and may provide, in addition, for one or more of the other remedies described in paragraph (2); or

"(B) do not immediately jeopardize the health or safety of its residents, the State may—

"(i) terminate the facility's participation under the State plan,

"(ii) provide for one or more of the remedies described in paragraph (2), or

"(iii) do both.

Nothing in this paragraph shall be construed as restricting the remedies available to a State to remedy a nursing facility's deficiencies. If a State finds that a nursing facility meets the requirements of subsections (b), (c), and (d), but, as of a previous period, did not meet such requirements, the State may provide for a civil money penalty under paragraph (2)(A)(i) for the days in which it finds that the facility was not in compliance with such requirements.

Regulations.

"(2) SPECIFIED REMEDIES.—

"(A) LISTING.—Except as provided in subparagraph (B)(ii), each State shall establish by law (whether statute or regulation) at least the following remedies:

"(i) Denial of payment under the State plan with respect to any individual admitted to the nursing facility involved after such notice to the public and to the facility as may be provided for by the State.

"(ii) A civil money penalty assessed and collected, with interest, for each day in which the facility is or was out of compliance with a requirement of subsection (b), (c), or (d). Funds collected by a State as a result of imposition of such a penalty (or as a result of the imposition by the State of a civil money penalty for activities described in subsections (b)(3)(B)(ii)(I), (b)(3)(B)(ii)(II), or (g)(2)(A)(i)) shall be applied to the protection of the health or property of residents of nursing facilities that the State or the Secretary finds deficient, including payment for the costs of relocation of residents to other facilities, maintenance of operation of a facility pending correction of deficiencies or closure, and reimbursement of residents for personal funds lost.

"(iii) The appointment of temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while—

"(I) there is an orderly closure of the facility, or

"(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d).

The temporary management under this clause shall not be terminated under subclause (II) until the State

has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d).

“(iv) The authority, in the case of an emergency, to close the facility, to transfer residents in that facility to other facilities, or both.

The State also shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the State may provide for other specified remedies, such as directed plans of correction.

“(B) DEADLINE AND GUIDANCE.—(i) Except as provided in clause (ii), as a condition for approval of a State plan for calendar quarters beginning on or after October 1, 1989, each State shall establish the remedies described in clauses (i) through (iv) of subparagraph (A) by not later than October 1, 1989. The Secretary shall provide, through regulations or otherwise by not later than October 1, 1988, guidance to States in establishing such remedies; but the failure of the Secretary to provide such guidance shall not relieve a State of the responsibility for establishing such remedies.

Regulations.

“(ii) A State may establish alternative remedies (other than termination of participation) other than those described in clauses (i) through (iv) of subparagraph (A), if the State demonstrates to the Secretary's satisfaction that the alternative remedies are as effective in deterring non-compliance and correcting deficiencies as those described in subparagraph (A).

“(C) ASSURING PROMPT COMPLIANCE.—If a nursing facility has not complied with any of the requirements of subsections (b), (c), and (d), within 3 months after the date the facility is found to be out of compliance with such requirements, the State shall impose the remedy described in subparagraph (A)(i) for all individuals who are admitted to the facility after such date.

“(D) REPEATED NONCOMPLIANCE.—In the case of a nursing facility which, on 3 consecutive standard surveys conducted under subsection (g)(2), has been found to have provided substandard quality of care, the State shall (regardless of what other remedies are provided)—

“(i) impose the remedy described in subparagraph (A)(i), and

“(ii) monitor the facility under subsection (g)(4)(B), until the facility has demonstrated, to the satisfaction of the State, that it is in compliance with the requirements of subsections (b), (c), and (d), and that it will remain in compliance with such requirements.

“(E) FUNDING.—The reasonable expenditures of a State to provide for temporary management and other expenses associated with implementing the remedies described in clauses (iii) and (iv) of subparagraph (A) shall be considered,

for purposes of section 1903(a)(7), to be necessary for the proper and efficient administration of the State plan.

“(F) INCENTIVES FOR HIGH QUALITY CARE.—In addition to the remedies specified in this paragraph, a State may establish a program to reward, through public recognition, incentive payments, or both, nursing facilities that provide the highest quality care to residents who are entitled to medical assistance under this title. For purposes of section 1903(a)(7), proper expenses incurred by a State in carrying out such a program shall be considered to be expenses necessary for the proper and efficient administration of the State plan under this title.

“(3) SECRETARIAL AUTHORITY.—

“(A) FOR STATE NURSING FACILITIES.—With respect to a State nursing facility, the Secretary shall have the authority and duties of a State under this subsection, including the authority to impose remedies described in clauses (i), (ii), and (iii) of paragraph (2)(A).

“(B) OTHER NURSING FACILITIES.—With respect to any other nursing facility in a State, if the Secretary finds that a nursing facility no longer meets a requirement of subsection (b), (c), (d), or (e), and further finds that the facility’s deficiencies—

“(i) immediately jeopardize the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subparagraph (C)(iii), or terminate the facility’s participation under the State plan and may provide, in addition, for one or more of the other remedies described in subparagraph (C); or

“(ii) do not immediately jeopardize the health or safety of its residents, the Secretary may impose any of the remedies described in subparagraph (C).

Nothing in this subparagraph shall be construed as restricting the remedies available to the Secretary to remedy a nursing facility’s deficiencies. If the Secretary finds that a nursing facility meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subparagraph (C)(ii) for the days on which he finds that the facility was not in compliance with such requirements.

“(C) SPECIFIED REMEDIES.—The Secretary may take the following actions with respect to a finding that a facility has not met an applicable requirement:

“(i) DENIAL OF PAYMENT.—The Secretary may deny any further payments to the State for medical assistance furnished by the facility to all individuals in the facility or to individuals admitted to the facility after the effective date of the finding.

“(ii) AUTHORITY WITH RESPECT TO CIVIL MONEY PENALTIES.—The Secretary may impose a civil money penalty in an amount not to exceed \$10,000 for each day of noncompliance and the Secretary shall impose and collect such a penalty in the same manner as civil money penalties are imposed and collected under section 1128A.

“(iii) **APPOINTMENT OF TEMPORARY MANAGEMENT.**—In consultation with the State, the Secretary may appoint temporary management to oversee the operation of the facility and to assure the health and safety of the facility’s residents, where there is a need for temporary management while—

“(I) there is an orderly closure of the facility, or

“(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d).

The temporary management under this clause shall not be terminated under subclause (II) until the Secretary has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d).

The Secretary shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the Secretary may provide for other specified remedies, such as directed plans of correction.

“(D) **CONTINUATION OF PAYMENTS PENDING REMEDIATION.**—The Secretary may continue payments, over a period of not longer than 6 months, under this title with respect to a nursing facility not in compliance with a requirement of subsection (b), (c), or (d), if—

“(i) the State survey agency finds that it is more appropriate to take alternative action to assure compliance of the facility with the requirements than to terminate the certification of the facility,

“(ii) the State has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action, and

“(iii) the State agrees to repay to the Federal Government payments received under this subparagraph if the corrective action is not taken in accordance with the approved plan and timetable.

The Secretary shall establish guidelines for approval of corrective actions requested by States under this subparagraph.

“(4) **EFFECTIVE PERIOD OF DENIAL OF PAYMENT.**—A finding to deny payment under this subsection shall terminate when the State or Secretary (or both, as the case may be) finds that the facility is in substantial compliance with all the requirements of subsections (b), (c), and (d).

“(5) **IMMEDIATE TERMINATION OF PARTICIPATION FOR FACILITY WHERE STATE OR SECRETARY FINDS NONCOMPLIANCE AND IMMEDIATE JEOPARDY.**—If either the State or the Secretary finds that a nursing facility has not met a requirement of subsection (b), (c), or (d), and finds that the failure immediately jeopardizes the health or safety of its residents, the State and the Secretary shall notify the other of such finding, and the State or the Secretary, respectively, shall take immediate action to remove

the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(A)(iii) or (3)(C)(iii), or terminate the facility's participation under the State plan. If the facility's participation in the State plan is terminated by either the State or the Secretary, the State shall provide for the safe and orderly transfer of the residents eligible under the State plan consistent with the requirements of subsection (c)(2).

"(6) SPECIAL RULES WHERE STATE AND SECRETARY DO NOT AGREE ON FINDING OF NONCOMPLIANCE.—

"(A) STATE FINDING OF NONCOMPLIANCE AND NO SECRETARIAL FINDING OF NONCOMPLIANCE.—If the Secretary finds that a nursing facility has met all the requirements of subsections (b), (c), and (d), but a State finds that the facility has not met such requirements and the failure does not immediately jeopardize the health or safety of its residents, the State's findings shall control and the remedies imposed by the State shall be applied.

"(B) SECRETARIAL FINDING OF NONCOMPLIANCE AND NO STATE FINDING OF NONCOMPLIANCE.—If the Secretary finds that a nursing facility has not met all the requirements of subsections (b), (c), and (d), and that the failure does not immediately jeopardize the health or safety of its residents, but the State has not made such a finding, the Secretary—

"(i) may impose any remedies specified in paragraph (3)(C) with respect to the facility, and

"(ii) shall (pending any termination by the Secretary) permit continuation of payments in accordance with paragraph (3)(D).

"(7) SPECIAL RULES FOR TIMING OF TERMINATION OF PARTICIPATION WHERE REMEDIES OVERLAP.—If both the Secretary and the State find that a nursing facility has not met all the requirements of subsections (b), (c), and (d), and neither finds that the failure immediately jeopardizes the health or safety of its residents—

"(A)(i) if both find that the facility's participation under the State plan should be terminated, the State's timing of any termination shall control so long as the termination date does not occur later than 6 months after the date of the finding to terminate;

"(ii) if the Secretary, but not the State, finds that the facility's participation under the State plan should be terminated, the Secretary shall (pending any termination by the Secretary) permit continuation of payments in accordance with paragraph (3)(D); or

"(iii) if the State, but not the Secretary, finds that the facility's participation under the State plan should be terminated, the State's decision to terminate, and timing of such termination, shall control; and

"(B)(i) if the Secretary or the State, but not both, establishes one or more remedies which are additional or alternative to the remedy of terminating the facility's participation under the State plan, such additional or alternative remedies shall also be applied, or

"(ii) if both the Secretary and the State establish one or more remedies which are additional or alternative to the remedy of terminating the facility's participation under the

State plan, only the additional or alternative remedies of the Secretary shall apply.

“(8) CONSTRUCTION.—The remedies provided under this subsection are in addition to those otherwise available under State or Federal law and shall not be construed as limiting such other remedies, including any remedy available to an individual at common law. The remedies described in clauses (i), (iii), and (iv) of paragraph (2)(A) may be imposed during the pendency of any hearing.

“(9) SHARING OF INFORMATION.—Notwithstanding any other provision of law, all information concerning nursing facilities required by this section to be filed with the Secretary or a State agency shall be made available to Federal or State employees for purposes consistent with the effective administration of programs established under this title and title XVIII, including investigations by State medicaid fraud control units.”.

(b) **REFERENCES.**—Any reference in this subtitle to the “Act of February 25, 1920”, is a reference to the Act of February 25, 1920, entitled “An Act to promote the mining of coal, phosphate, oil, oil shale, gas, and sodium on the public domain” (30 U.S.C. 181 and following).

SEC. 5102. OIL AND GAS LEASING SYSTEM.

(a) **COMPETITIVE BIDDING.**—Section 17(b)(1) of the Act of February 25, 1920 (30 U.S.C. 226(b)(1)), is amended to read as follows:

“(b)(1)(A) All lands to be leased which are not subject to leasing under paragraph (2) of this subsection shall be leased as provided in this paragraph to the highest responsible qualified bidder by competitive bidding under general regulations in units of not more than 2,560 acres, except in Alaska, where units shall be not more than 5,760 acres. Such units shall be as nearly compact as possible. Lease sales shall be conducted by oral bidding. Lease sales shall be held for each State where eligible lands are available at least quarterly and more frequently if the Secretary of the Interior determines such sales are necessary. A lease shall be conditioned upon the payment of a royalty at a rate of not less than 12.5 percent in amount or value of the production removed or sold from the lease. The Secretary shall accept the highest bid from a responsible qualified bidder which is equal to or greater than the national minimum acceptable bid, without evaluation of the value of the lands proposed for lease. Leases shall be issued within 60 days following payment by the successful bidder of the remainder of the bonus bid, if any, and the annual rental for the first lease year. All bids for less than the national minimum acceptable bid shall be rejected. Lands for which no bids are received or for which the highest bid is less than the national minimum acceptable bid shall be offered promptly within 30 days for leasing under subsection (c) of this section and shall remain available for leasing for a period of 2 years after the competitive lease sale.

Regulations.

“(B) The national minimum acceptable bid shall be \$2 per acre for a period of 2 years from the date of enactment of the Federal Onshore Oil and Gas Leasing Reform Act of 1987. Thereafter, the Secretary may establish by regulation a higher national minimum acceptable bid for all leases based upon a finding that such action is necessary: (i) to enhance financial returns to the United States; and (ii) to promote more efficient management of oil and gas resources on Federal lands. Ninety days before the Secretary makes any change in the national minimum acceptable bid, the Secretary shall notify the Committee on Interior and Insular Affairs of the United States House of Representatives and the Committee on Energy and Natural Resources of the United States Senate. The proposal or promulgation of any regulation to establish a national minimum acceptable bid shall not be considered a major Federal action subject to the requirements of section 102(2)(C) of the National Environmental Policy Act of 1969.”.

(b) **NONCOMPETITIVE LEASING.**—Section 17(c) of the Act of February 25, 1920 (30 U.S.C. 226(c)), is amended to read as follows:

“(c)(1) If the lands to be leased are not leased under subsection (b)(1) of this section or are not subject to competitive leasing under subsection (b)(2) of this section, the person first making application for the lease who is qualified to hold a lease under this Act shall be entitled to a lease of such lands without competitive bidding, upon payment of a non-refundable application fee of at least \$75. A lease under this subsection shall be conditioned upon the payment of a royalty at a rate of 12.5 percent in amount or value of the production removed or sold from the lease. Leases shall be issued within 60 days of the date on which the Secretary identifies the first responsible qualified applicant.

“(2)(A) Lands (i) which were posted for sale under subsection (b)(1) of this section but for which no bids were received or for which the highest bid was less than the national minimum acceptable bid and (ii) for which, at the end of the period referred to in subsection (b)(1) of this section no lease has been issued and no lease application is pending under paragraph (1) of this subsection, shall again be available for leasing only in accordance with subsection (b)(1) of this section.

“(B) The land in any lease which is issued under paragraph (1) of this subsection or under subsection (b)(1) of this section which lease terminates, expires, is cancelled or is relinquished shall again be available for leasing only in accordance with subsection (b)(1) of this section.”.

(c) **RENTALS.**—Section 17(d) of the Act of February 25, 1920 (30 U.S.C. 226(d)), is amended to read as follows:

Fees collected by the Secretary of Agriculture pursuant to this subsection shall continue to be available for the purposes of distribution to States and counties in accordance with applicable law.

"(2) Amounts covered into the special account for each agency during each fiscal year shall, after the end of such fiscal year, be available for appropriation solely for the purposes and in the manner provided in this subsection. Funds credited to the special account shall remain available until expended.

"(3) For agencies other than the National Park Service, such funds shall be made available for resource protection, research, interpretation, and maintenance activities related to resource protection in areas managed by that agency at which outdoor recreation is available. To the extent feasible, such funds should be used for purposes (as provided for in this paragraph) which are directly related to the activities which generated the funds, including but not limited to water-based recreational activities and camping.

"(4) Amounts covered into the special account for the National Park Service shall be allocated among park system units in accordance with subsection (j) for obligation or expenditure by the Director of the National Park Service for the following purposes:

"(2) 40 percent of the funds made available to the Director of the National Park Service under subsection (i) in each fiscal year shall be allocated among units of the National Park System in accordance with paragraph (3) of this subsection and 50 percent shall be allocated in accordance with paragraph (4) of this subsection.

"(3) The amount allocated to each unit under this paragraph for each fiscal year shall be a fraction of the total allocation to all units under this paragraph. The fraction for each unit shall be determined by dividing the operating expenses at that unit during the prior fiscal year by the total operating expenses at all units during the prior fiscal year.

"(4) The amount allocated to each unit under this paragraph for each fiscal year shall be a fraction of the total allocation to all units under this paragraph. The fraction for each unit shall be determined by dividing the user fees and admission fees collected under

this section at that unit during the prior fiscal year by the total of user fees and admission fees collected under this section at all units during the prior fiscal year.

"(1)(1) Where the National Park Service provides transportation to view all or a portion of any unit of the National Park System, the Director may impose a charge for such service in lieu of an admission fee under this section. The charge imposed under this paragraph shall not exceed the maximum admission fee under subsection (a).

"(2) Notwithstanding any other provision of law, half of the charges imposed under paragraph (1) shall be retained by the unit of the National Park System at which the service was provided. The remainder shall be covered into the special account referred to in subsection (i) in the same manner as receipts from fees collected pursuant to this section. Fifty percent of the amount retained shall be expended only for maintenance of transportation systems at the unit where the charge was imposed. The remaining 50 percent of the retained amount shall be expended only for activities related to resource protection at such units.

"(m) Where the primary public access to a unit of the National Park System is provided by a concessioner, the Secretary may charge an admission fee at such units only to the extent that the total of the fee charged by the concessioner for access to the unit and the admission fee does not exceed the maximum amount of the admission fee which could otherwise be imposed under subsection (a)."
